# BITS and PIECES

## ASSHOLE OF THE MONTH

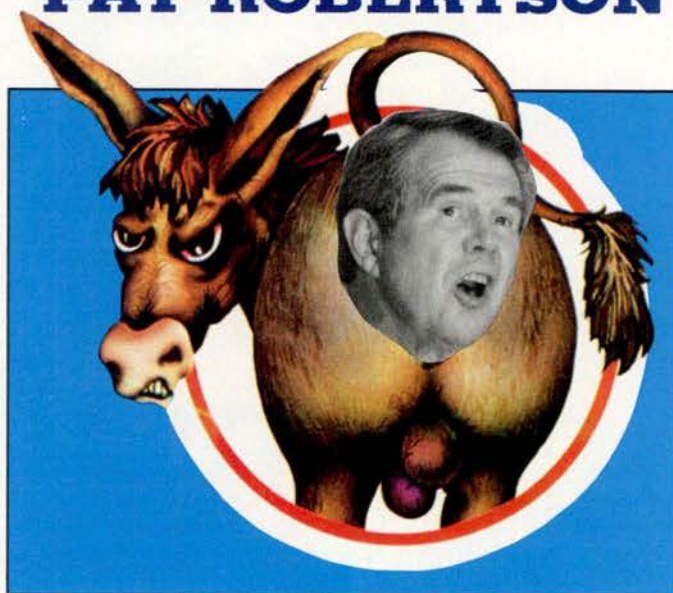

Given His infinite wisdom, God Himself is conceivably aware of a purpose for cathode-ray holy man Pat Robertson, but the Divinity has not revealed this grand design to the rest of us. As far as mere mortals can see, boob-tube prophet Robertson is good only to serve as HUSTLER's Asshole of the Month for September 1992.

As a TV preacher, Robertson is possibly no worse than any other leprous con man. A sort of reverse-action sphincter-face who siphons funds from his idiot-box flock as he purports to save their souls, Robertson displays the smarmy tenacity of a grinning lamprey. Once he's bored through the fleece of his electronic congregation's guilty underbellies, Pat does what he's best at—he sucks. According to a study by professor Stephen Winzenburg, Pat Robertson (who, like that other great spiritual leader of our nation, George Bush, is an alumnus of Yale University) devotes up to 44% of his program to pleas for financial help, which limits the amount of time for higher considerations.

Indeed, not one soul has ever been documented as saved by Pat, by his Christian Broadcasting Network (CBN), by his Family Channel cable station, or even by his *Hee Haw*-quality revival meeting/variety show *The 700 Club*. However, Robertson's ability to amass funds touches upon the miraculous. His requests for financial help can only be a ploy to appear modest.

As far back as the mid-'80s, CBN garnered revenues of more than \$100 million annually, and the

### PAT ROBERTSON

Family Channel is among the ten largest cable networks in the U.S.

Pious Pat's fluent talking in tongues ("I've had people say that they heard Chinese"), his announcement that he had prayed Hurricane Gloria away from the CBN transmitting tower in 1985, the cancer supposedly cured by an intercession brought about by Robertson, none of these holds a candle to his power over money, the root of all evil.

An April 12, 1992, *Newsday* article reported that Robertson and his son, Timothy, transformed a \$183,333 leveraged buyout of the Family Channel from CBN into stock with a potential value of \$45 million. This paper profit of 244 times their investment in 28 months is

akin to Jesus changing water to wine, except that, unlike Pat, Jesus didn't pass a hat for donations or run for President.

Though he's the son of a successful politician (Pat's father was a U.S. Senator from Virginia for 20 years and a Congressman for 14 years prior to that), Robertson's bid for the Oval Office is memorable only for far-fetched allegations by the televangelist. Despite boasting that an infallible God talked to him on an almost daily basis, Robertson claimed that Cuba harbored nuclear attack missiles, that the Jimmy Swaggart jerkoff scandal was a plot by Pat's political enemies, and that Robertson's television network had known of the location of American

hostages in Lebanon, "and they could have been freed."

Robertson's staff blamed the media for conflicts between reality and the candidate's statements, and also for reporting that Robertson, who opposes premarital sex, had been married only ten weeks when his oldest child was born.

To Pat's thinking, even Christ would have gotten a bad rap if He'd had the free press to deal with. Journalists, in Robertson's estimation, are "professed atheists."

"The press in America has no background in either Jewish or the Christian religion. They are totally religious illiterates." Still, Pat appealed to the godless Fourth Estate "for some fairness from the press."

Evidently, Pat was less than satisfied by the news media's response to his plea; so he decided to buy a portion of it. Robertson bid \$6 million for United Press International (UPI), an 85-year-old news service up for auction at bankruptcy court. The historic UPI seems to be on its last legs, but history has a way of repeating itself. Pat Robertson's media career was launched in 1960, when Pat bought a bankrupt UHF TV station in Portsmouth, Virginia, for \$37,000—\$70 of his own cash.

Depicting himself as a "white knight," Robertson vowed not to turn UPI into a religious news service, but termed the purchase "a little opportunity for God to touch society."

God already has every opportunity to touch society, without help from Pat Robertson, the Assholiest mistake the Almighty ever created.

### FARTS IN THE WIND

**Daryl Gates:** The Los Angeles police chief's latest temper tantrum—fiddling as his men stood idle and the city he was sworn to protect and serve went up in fire and hate—has put Gates firmly in the national eye, the stinky, brown, wrinkled one.

**Anne-Imelda Radice:** As replacement director of the embattled National Endowment for the Arts, Anne-Imelda Radice has pledged not to fund any art that will offend religious taxpayers or Congressmen. "If a grant application

projects sexually explicit material," vows Radice, "we just can't afford to fund that." But she can afford to be an Asshole.

**Bill Cosby:** While the country went up in flames of interracial frustration, human Twinkie Bill Cosby ran the crowning episode of his fantasy-life TV show. In Cosbyland, all races live in a universe of simple solutions and \$800 sweaters. In reality, our cities are

burning to the ground. Whether he's pitching Coca Cola, Jello Pudding or Kodak film, Cosby's a shill for big-money pigs, a bought-out Asshole shitting on the people he could touch, black and white alike.

**Patti Davis:** The whining daughter of Ronald and Nancy Reagan has published four books in the past six years, all detailing her shitty childhood. Patti is living testament to the power of genetics. One Asshole plus another Asshole breeds yet another Asshole.

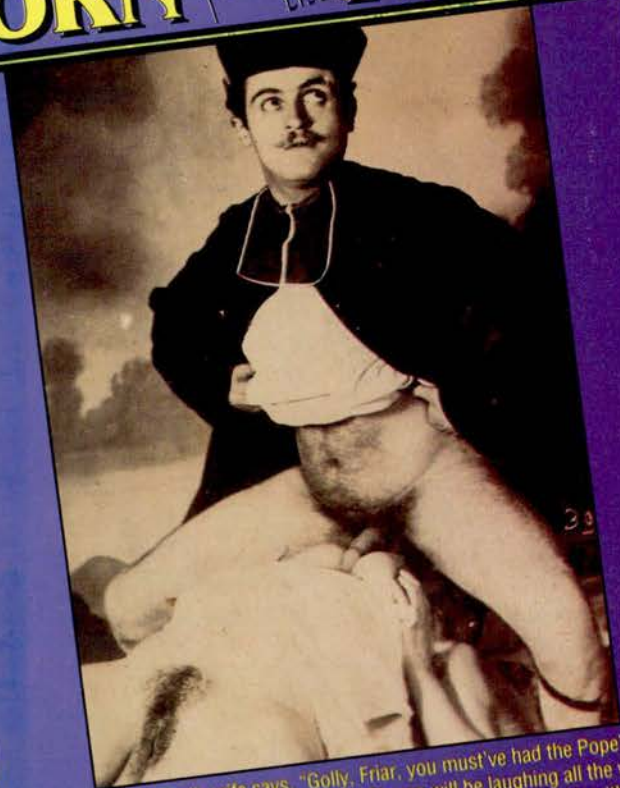

The choices for  
President aren't  
just slim;  
**they**  
**downright**  
**suck.**

Parody. Not to be taken seriously.  
Slick and spacey politician heads  
pasted onto homo movie stars.

"It's okay, Bill;  
just don't inhale it."

## PORN from the PAST

also called *piles*, are glob-like masses formed by distension of the vein network that lines the anal channel. It may develop from an increase in intra-abdominal pressure, such as straining during a healthy shit or getting fucked by a large, unlubricated cock. Although hemorrhoids have garnered an ugly stigma in mankind's pursuit of perfection, HUSTLER Magazine celebrates the chewy imperfection of a woman's crinkle tart and invites you to...

With a spit of relief, Yasser Arafat's lovely bride welcomed home her PLO diplomat husband after he survived a plane crash in the Libyan desert. When asked how the newlywed couple will celebrate their happy fate, the bride hissed, "We'll probably hump."

# The Unkindest Cut

**In** Houston, Texas, recently, an alleged child molester asked to be castrated rather than stand trial. In the frenzy of the moment, **HUSTLER** constructed a castration chamber whose design rekindled the spirit of medieval times when punishment was unusually cruel and creative. In the castration game, everybody's a loser.

Tustin, California, gynecologist Ivan Namihas has been accused of sexually molesting or mistreating at least 140 patients. If convicted, he'll become another in a long line of dirty doctors that could be avoided if you follow HUSTLER's simple guide. The pussy you save may be your own.

# HOT LETTERS

## A RIOT AFFAIR

The L.A. riots were the best three days I've ever spent in this shit-hole city. I now have a new lamp, a remote color TV and a fridge full of imported brew. L.A.'s definitely the place. But I never thought I'd find love among the fire and flying glass.

It was the third night after the King verdict, and the violence was at its peak. I'm a white guy; so I waited for the looting to spread to Hollywood before I made my move. After I had filled the back of my truck with shit, I picked up a complimentary 12-pack of beer and the latest *HUSTLER*.

I drove a few blocks away to enjoy my haul and was about to read your mag, when I saw a couple of guys carrying videotapes out of a tiny store. Although the sign had been blown out, it was obvious from the leather straps that hung in place of a door that this had once been a porn shop. As soon as the people left, I decided to grab a bunch of tapes, then stop at a nearby camera store and pick up a VCR. At least I wouldn't be lonely tonight.

The place was dark inside and totally littered. Magazines and books were scattered across the floor, along with a bunch of smashed homo tapes. From the back room I heard a high-pitched squeal that startled me at first. When I found my way to the token movie arcade, I realized the sound was from a movie that played on a broken video screen in one of the tiny booths. The flick was busted and, every time this one chick would take a cum-shot on her face, the scene would suddenly pause, rewind and play the whole mess over again. The porn slut's phony moan echoed like an air-raid siren. It was creepy.

I wanted to get the fuck out of there

before someone else showed up. But as I rooted through the dusty piles for something other than transvestite loops, I heard a silent sob from behind the counter and checked it out.

"Don't hurt me," a girl's voice cowered from under a stack of plastic-wrapped dildos. Her English sounded bad, and what I could make out of her dark skin looked exotic. She remained silent as I sat beside her. Although there was no sign of rape, she was obviously scared. So I gave her a swig of my beer, which she guzzled with appreciation. The conversation was nil, but we shared a quiet moment within the roar of sirens and the heavy thud of boot steps in the streets.

As we polished off the beer, she suddenly leaned over and kissed me on the cheek. A chill of excitement ran through me. I felt like a soldier in the trenches, saving an innocent girl from certain slaughter. She rubbed her hand along my chest, and I gladly returned the favor, feeling the outline of her heavy breasts through the sweat-soaked fabric.

She stood and looked outside. The street was empty. She quickly removed her top and let her large breasts bounce against her stomach. Even after the mams settled, her nervousness kept them swaying with heaving glory. My eyes adjusted to the darkness and, through the glow of a fading neon light, her mams looked deep red, like smoldering embers. I cooled them with my tongue, tasting dust and patches of perspiration. I wiped my mouth against her soft belly and started nibbling at the gap in her denim shorts. My nose slowed over the speed bumps I felt within. I hadn't been this close to a woman in at least a year.

She kicked aside a bunch of vid boxes and knelt in front of me. She quickly unbuttoned my jeans and pulled them to my knees. I quickly forgot the sharp nag of dildo packages scraping against my ass as she licked my muscle like a pro, alternating between rapid slurps and slower tongue laps. When the muscle was good and wet, she blew on the shaft, sending

shivers through my balls and out my ass. She seemed determined to make me come in her mouth, but I wanted to move to the next level.

"Take off your shorts," I said, pulling her face away from my crotch. When she didn't immediately respond, I tried hand signals and tugged on the fabric above her waist. This time she got the clue and stood to obscure a spotlight's beam that had momentarily flashed through the window. She dropped her tight cut-offs to the floor and quickly crouched back down, spreading her pussy lips wide to sink deep onto my cock. I pushed my ass off the floor to sink deeper within her.

I supported her ass cheeks from below as she slid herself up and down my pole. Since the position was so awkward, my dick popped out a couple times, forcing her to nudge the head safely back inside. Momentum built to climax and, just before

takeoff, a thunderous bomb exploded in the street. I practically sliced my fingernail through her ass cheeks in the sudden shock. My girl even jumped to her feet with a fearful reaction, nearly tearing my dick off in the process.

As she looked painfully outside at the destruction down the street, I stood and wrapped my arms around her waist for comfort. My dick nestled in the crack of her pillowy bottom. She turned around and, as pockets of white smoke covered the room, we kissed like long, lost lovers reunited. Our arms were locked tightly around each other's waist as she pressed her face into my chest.

Another loud firecracker exploded nearby; so we collected our clothes and moved toward the safety of the sticky video booths

## HOT LETTERS

She smiled and climbed back onto my half-erect dick, nestling my noodle inside the warm folds of her pussy. Her walls closed in around me.

in back. It was a little brighter there, and I couldn't wait to see my mystery fuck. But when she stopped just before reaching the light, I went back to her.

"What's wrong?" I asked. The sound of chopper blades whipped the sky. She remained silent and, taking my hand, walked sullenly into the light.

She was a beautiful black girl, not too dark, but with smooth, chocolate-brown skin. Her hair, although filthy from the battle zone, was straight and feathery. She was probably no older than 18, and she looked sad and disappointed.

"What's wrong?" I asked her again.

She explained, in perfect English, her fear of being beaten in this mostly white and Latino area of Hollywood. In fact, she was still afraid I was going to hit her. She reminded me of a frightened dog named Dottie that had been my only friend when I was a kid. I brushed the hair from her eyes and kissed her cheek.

The skipping movie's soundtrack was really pissing me off; so as we walked back to the safety of the booths, I shattered the screen with my foot, ripping my brand-new Nikes to shreds.

I sat on the stool again and told Gloria, which was the name she gave me, "I don't care what color your skin is." She smiled and, with little prodding, climbed back onto my half-erect dick, nestling my noodle inside the warm folds of her pussy. Her walls closed in around me. She pressed her mouth to mine, and we overcame the smell of sulfur with a long, dizzying kiss.

Her tits flopped in my face as she rode me like a champion. When I came, I pulled her hips tightly into my crotch and held my arms firmly around her waist. My liquid emotions flowed within her. The muscles of her box tightened as if trying to squeeze every drop from my shaft. To me, this was more than fucking.

My dick was still hard, but we were slowing our rhythm when a siren blared outside the store. She hopped off me as a trail of fluorescent-white semen dribbled down her thigh and settled in a patch of dust behind her knee.

We gathered our clothes and skipped out the back, setting off the emergency alarm to add to the sonic chaos of the streets. As I ran to my truck, Gloria sprinted the opposite way. There was no time to follow; so I split. But I wish I could've taken her with me. In the end, the riots were very sad, and if a frightened black

girl in Hollywood happens to read this letter, I hope you're all right.

### PUD PULL

There's a long alley behind my house that I like to walk down when I'm depressed. I've practically worn out my shoes in that alley since I started going out with Tina. You see, I can't stand that she works in a topless bar where people constantly stare at her body and pinch her ass. Just my luck—I had to fall for a stripper.

Anyway, I was walking down that alley last week after a typical fight with Tina, when I passed a favorite house of mine. A thirtyish woman lives there alone, and during the summer she often sunbathes out by her pool. It was hot that day, and she was there in a lounge chair wearing a tiny bikini.

I stopped, as I had on many occasions, and checked her out through the slats of her wood fence. Her red hair shone like molten lava in the sunlight and gave her greasy skin a glistening glow. She had muscles in her thighs and beautifully

arched feet that were long and slender with red-painted toenails. Her tits were big and floppy with the nipples barely concealed by a sliver of a bikini top.

When she pulled the triangular bottoms tightly against her pussy lips, shivers shot down my spine. I practically had splinters in my nose as I strained to get a closer look. Out came more oil, and she slowly rubbed the slippery grease into her already golden skin. I felt like I was watching a peep show that was being performed just for me. Her hand rubbed around the smooth ball of her shoulder, across her fragile collarbone, down between those heavy breasts and finally around the world of her navel. I grabbed my dick.

After the oil was applied, she pulled aside her yellow bikini top to scratch her right nipple. I envied the gnat that she had shooved away. There was a line of lily-white flesh that framed the red areola. Stark tan lines like that always killed me, and I had to take my dick out of my jeans for fear of staining my last clean pair.

As she reset the top carefully along the sun lines, I imagined her stripping off the bottoms and massaging oil into her sweaty twat, shoving one, two, then maybe even three fingers into her moistened box. My dick scraped against the wooden fence at the thought. It was extra exciting pulling my pud in the warm freedom of the outdoor alley.

EDITED BY MAL O'REE

### CHAMELEONS

**Three-Quarters Erect.** Directed by John Leslie; starring Ashlyn Gere, Deidre Holland, Jon Dough, Rocco Siffredi, P. J. Sparxx, Fawn Miller, Tim Lake and Mickey Ray. Videocassette: VCA. Shot on Film.

John Leslie's work as a director becomes more polished each time out, and *Chameleons* is upscale erotica with an expert's touch. Leslie's reasons for not promoting *Chameleons* as a sequel are known only to himself, since the story of people able to change their identities for sexual satisfaction is the same as the 1989 original. Playing an insatiable hellcat out for cock and cunt, Ashlyn Gere runs into Deidre Holland in a sex club. Gere watches Holland turn into Rocco Siffredi (some neat, head-vibrating effects cribbed from *Jacob's Ladder*), and the result is a sweat-drenched bathroom fuck that ranks as one of the best ever put forth on screen. Gere can't get enough of the beguiling Holland/Siffredi combo and moves in with them, hoping to learn the secret of their lust. The story drifts off somewhere in Leslie's mind, but excellent music and editing make *Chameleons* a fuck film with flair.

—Sam Lowry

Despite the title, this is not a sequel.

Gere and Siffredi's bathroom boff is one for the record books.

**Bridgette** offers a couple of facials and a moderate degree of heat.

Monroe gives **Private** its potency.

Unhappy with married sex, Morgan chews cunt in **Excess**.

There isn't any **Silk**, but Anisa gets her smooth sphincters stuffed.

## DEAR BRIDGETTE

**Half Erect.** Directed by Jim Enright; starring Heather Lere, Robert J., Rachel Ryan, Joey Silvera, Mona Lisa, Peter North, Alicia Rio, Aphrodisiac, Tom Byron and Randy West. Videocassette: Zane Entertainment.

Heather Lere and Robert J. sit around trying to remember how they answered letters in their sex-advice column. Like it matters. After four mildly humorous illustrations of their recollections, they are so hot that they decide to fuck right there on the desk. How novel! What a plot! What makes *Bridgette* of any interest is the presence of four relative newcomers (three women and Robert J.), and the latest confirmation that Rachel Ryan is an accomplished actress. Her scene with Joey Silvera is tender, sensual, romantic—almost real. The remaining four couplings cover all the basic positions and deliver a couple of facials and a moderate degree of heat.

—Chas Beatty

## PRIVATE DANCER

**Half Erect.** Directed by Jim Enright; starring Carolyn Monroe, Peter North, Melanie Moore, Alicyn Sterling, Madison, Kora, Randy West and Tom Chapman. Videocassette: Caballero.

With her new hair, new tits and a new nose, Carolyn Monroe has become another in porn's never-ending attempt to recreate Hollywood's most famous goddess, although it's doubtful that Marilyn could weather a wicked Peter North cum-shot or trade twat-tonguings with Madison the way Carolyn can. Alicyn Sterling makes a sweaty pitch for a steamy bit of safe sex, and Randy West does some interviewing with cum-gobbler Kora, but Monroe gives this *Private* its potency.

—S. L.

## IN EXCESS

**Half Erect.** Directed by Jace Rocker; starring Britt Morgan, Tom Byron, Alice Springs, Leilani, Joey Silvera, Jamie Leigh, Tom Chapman and Nina Hartley. Videocassette: Caballero Home Video.

Tom Byron plays a beer-swilling bum whose marriage to Britt Morgan is on the rocks—partly because his own are spending so little time with her muff. Leilani is the perfect whore, as ready to listen to his complaints as she is to take his dick up her poop chute. The supposedly frigid Morgan keeps busy riding Tom Chapman's rod, which she also lets into her dark-brown alley. Rejected by Joey Silvera, Morgan slips her slot over Nina Hartley's strap-on and disturbingly makes male meat seem obsolete. In the end, matrimony beats out muff when, in a couch-top copulation, Morgan swallows the spew of the formerly ballbusted Byron.

—Kent LeLak

## ASIAN SILK

**Half Erect.** Directed by Nancy Nemo; starring Anisa, Kym Wilde, Randy West, Mickey Ray, Scott Irish and Shawnee. Videocassette: Vivid Video.

Kym Wilde is not Asian, nor does her role as a phone-sex counselor have anything to do with silk, but in *Asian Silk* she's one busy slut, and that's enough to petrify any all-American pecker. Wilde plays finger games with Mickey Ray's butt ring before bursting his balls with a classic, porn-queen suck job, and Scott Irish buries his face in her silicone-free stacks before driving into her perfect, pink pussy. Irish eventually spurts, only to dive back into the dreamy depths. In what is supposedly the title role, Anisa drearily repeats Randy West's lines, sucks him and then stuffs her smooth sphincters with his rod as if her browneye were a second mouth.

—K. L.

By using Hunter, **Black** breaks the rules.

## BLACK BY POPULAR DEMAND

**Totally Limp.** Directed by Jim Enright; starring Sean Michaels, Charisma, Malia, Terry Diver, Jon Dough, Rose Hunter and Julian St. Jox. Videocassette: Zane Entertainment.

Porn Rule Number 1: Never use the same chick in a tape's two opening scenes if she looks like Rose Hunter. Porn Rule Number 2: Don't create a character who's bored with her husband and intentionally stage a listless fuck like the Hunter/Jon Dough nod-off that opens the tape. *Demand* boasts other minor porn irritants, like Sean Michaels wasting his jizz on Charisma's big, tattooed ass, when her even larger boobs hang within creaming distance; and a standard, lesbian couch-probe where Charisma and Terry Diver are obviously thinking about their paychecks. Only Malia's Oriental hot sauce provides any energy, and her solo with Dough is marred by a cum-shot lazier than a viewer's hand on the eject button.

—Luc Faucette

## JUGSY

**Three-Quarters Erect.** Directed by Robert McCallum; starring Lynn Lemay, Soki, Niki Sinn, Dallas St. Clair, Ashley Dunn, Tom Byron and T. T. Boy. Videocassette: Western Visuals.

Director Robert McCallum has noticed that anal sex and facial cum-shots are primary staples of porn, and he assembled his talent accordingly. Lynn Lemay shuns butt-fucking, but she uses her huge tits to satisfy Tom Byron's desires in the opener, jerking his climax all over her face. Niki Sinn takes her partner's dick in all three orifices and accepts two cum-shots from him, one on her twat and a second on her chin. Ashley Dunn's exotic-dance routine with Lemay drags (primarily because McCallum insists on repetition of every move), but she earns points for trying to catch her stud's cum on her tongue. Soki takes Byron's rubber-sheathed bone up her fudgehole while she devours another stud's prick until he spurts on her face. Dallas St. Clair does some dirty dancing with T. T. Boy, sucking his dick and then getting her crapper reamed. Byron finishes the cavortings by plugging Dunn's anus, then splashing her chin and hair with scuzz.

—Augie Michaels

# OFF THE LIP... CHESSIE MOORE

## "I Don't Get Double-Penetrated Enough!"

Just back from Alaska, where she melted more than a few igloos but never fucked an Eskimo, Chessie Moore stopped by the office to flash her new titties and complain about not getting enough cock. "I'm just really horny," she said, "and I like to be the center of attention with a bunch of guys. I like double penetration a lot—a prick in each hole—but I don't get it very often. The guys have to know how to do it too. It's frustrating if you don't get it done right." The 5-8, 138-pound dick-demolisher arrived back in Porn Valley with tits so big, some producers were afraid to use her—or maybe they just didn't know what to do with 48FFF-cup tits. "In Alaska, they have all these little fishing villages and smaller towns," Moore says. "The guys there—on the boats, the slopes and the pipeline—all work really, really hard; so when they get some time off, they wanna see some women. It's a really nice thing to be entertaining guys who appreciate it." Unlike some wimpy porn producers, they probably know what to do with big tits. Moore's credits include double-anal insertions in *Triple Header* and *Night Life*, and more common perversions in *Backpackers*, *Deep Throat 4*, *Shaved Sinners 3*, *Dirty Rotten Sleazy Scoundrels* and *Poor Little Rich Bitch*.

*Jugsy* has nothing to do with gangsters.

For yankers, **Tell** is self-explanatory.

**Nile** resembles a polluted harbor.

**Wishful**: A long, strange, pointless trip.

**Harder**: There's got to be an easier way.

## TELL ME WHAT TO DO

**Half Erect.** Directed by Michael Craig; starring Alice Springs, Mike Horner, Raven Richards, Jey, Valhalla, Tom Chapman and Natasha. Videocassette: Caballero Home Video.

A victim of unrequited love, Mike Horner pines for the amorous affections of Alice Springs, but winds up settling for the carnal charms of Valhalla and Raven Richards. It's definitely a comedown. Springs displays an awesome, raw sexuality in her opening tumble with Tom Chapman. After she fiddles her flaps to a frenzy, Springs does some stupendous, ice-cube-aided cocksucking. A hot hosing follows, and then it's ball bombs away. Chapman blitzes streaks of spunk all over her begging face. Yankers should find *Tell Me What to Do* pretty self-explanatory. Just lie back and spank. —S. L.

## VENUS OF THE NILE

**Half Erect.** Directed by Jourdan Alexander; starring Debi Diamond, Rachel Ryan, Sharise, Rusty Rhodes, T. T. Boy, Blake Palmer and Jack Baker. Videocassette: Western Visuals.

Talk about false advertising. Neither the aging Rachel Ryan nor elastic redhead Rusty Rhodes are close to the flawless description of Venus in Roman mythology, and the Nile herein looks to be the contaminated waters of Santa Monica Bay. Debi Diamond is the movie's only saving grace, getting power-popped by the eternally angry T. T. Boy and fucked in the ass by Blake Palmer. Sharise, as evidenced by her indifferent fuck style, will remain in porn's minor leagues, while the video's best scene is an older clip featuring retired vets Sheri St. Claire, Breezy Lane and Jack Baker, who pops one of the few boners of his career to swab St. Claire's poop deck, proving to a new generation just how hot she was. Too bad Ryan and Rhodes didn't have any prime footage of their own to cut in. —L. F.

## WISHFUL THINKING

**Half Erect.** Directed by Michael Craig; starring Heather Hart, Deidre Holland, Jon Dough, Porsche Lynn, Scott Irish, Holly Ryder, Kym Wilde, T. T. Boy and Mike Horner. Videocassette: VCA Pictures. Shot on Film.

Imagine rubbing an ancient urn and producing a genie to satisfy every whim. Jon Dough is the lucky rubber, and Heather Hart is the genie who tries to please him with the likes of Holly Ryder (whose in-character, restrained fuck undermines her natural zeal), Deidre Holland (gorgeous and lusciously bitchy in a pair of black, knee-high boots) and Kym Wilde (radiant in the 35mm glow, but forced to fuck atop an antique treasure chest that spoils any sexual versatility). Yet none of these girls is the right one. Hart, frankly, would be more believable spending 3,000 years in a San Fernando Valley mall, rather than an antique bottle. After a mixed bag of sex ranging from bad to good (an aggressive tongue-lashing between Porsche Lynn and Holland is short and sweet), the credits roll, leaving us to consider what a long, strange, pointless trip it's been. —L. F.

## THE HARDER WAY

**Half Erect.** Directed by Stuart Canterbury; starring Cameo, Heather Hart, Holly Ryder, Jerry Butler, Ron Jeremy, Biff Malibu, James Crockett, Kimberly Dawn and Stacey Nichols. Videocassette: AFV Releasing.

This tape sizzles in spots, but ultimately fizzles. Of the five fucks, only two are worth stroking about. Jerry Butler's boff of blond cutie Stacey Nichols is a ball-burner, as is Biff Malibu's meaty of def, deep-throating Kimberly Dawn. Heather Hart and Ron Jeremy dawg in' while Holly Ryder licks them both would have been bone boiling but for the Hedgehog. A dyke interlude with Cameo and Hart cuts away too soon, and Cameo and James Crockett's screw ends with the blast of an obviously inserted, poorly edited, stunt-cock sequence. There's got to be an easier way. —Woody Hood

## NEW STUFF

The best thing about porn is watching a young (over 18, of course), sweet tart get her video cherry popped. Nothing tastes better than a labia sandwich that hasn't been chewed on 1,000 times—it looks more appetizing too.

The hardest thing about this **Ride** is the drive back to the video store.

## RIDE 'EM HARD

**One-Quarter Erect.** Directed by Henri Pachard; starring Patricia Kennedy, Brigitte Aime, Jon Dough, Stacey Nichols, Tom Byron, Sean Michaels and Christina Appleigh. Videocassette: Las Vegas Video.

Although this flick possesses no marquee-star power, at least Henri Pachard could've wrung hot scenes out of the leftovers. Brigitte Aime, the icy Frenchwoman with the Frenchman's face, shows off her new implants while flattening her threeway with Jon Dough and Patricia Kennedy, and what should've been a hot, strap-on plunge with Stacey Nichols. The red-haired Patricia Kennedy, whose increasing tattoo designs make her look more like Viper every day, musters the necessary sluttiness to save an otherwise rote coupling with Tom Byron, whose rock 'n' roll greasiness nearly kills the scene. Meanwhile, peroxide newcomer Christina Appleigh shows a certain appeal with Sean Michaels's bone flopping out of her mouth. The hardest thing about this ride is the drive back to the video store.

—L. F.

## SHAYLA LAVEAUX

LaVeaux, a 5-foot, 100-pound bundle of cute, was introduced to smut videos by Alexis DeVell, her gash-gobbling, strip-show partner. LaVeaux says she likes to fuck in the back of taxis. Her ultimate sexual fantasy is getting banged in a glass elevator during rush hour. "The door would be locked, and no one can get in until we're done." When asked which famous person, living or dead, she would most like to fuck, the 22-year-old Colorado native doesn't hesitate to answer, "Peter North," which tells you all you need to know about her place in history. LaVeaux's credits include *Sex Trax 3* and *Cockateer 2*.

## ALEXIS DEVELL

This barely 21-year-old dick-stiffener is a mere five feet tall, and she comes equipped with a custom set of bra-stuffers that would make a Barbie doll proud. DeVell grew up in Loveland, Colorado, and she apparently took her town's name seriously. She claims to have started her own stripping-telegram service at the tender age of 15. She gave up her cherry on the monkey bars at the corner playground as a small crowd looked on, she says, an event that gave her the itch to pitch her poon in the major leagues of smut. DeVell met Danielle Rogers, who set her up with the right connections, leading to a six-picture deal with Legend Video. Her first on-camera sex scene was with Peter North. "It was incredible and amazing," she says. DeVell's ultimate fantasy? "To fuck guys that aren't famous." Now that's a twist that gives hope to all the skeeves of the world. Get your sticky mitts on *Burn*, *Foreign Affair*, *Collectible*, *The Perfect Pair* and *Southern Exposure*, all from Legend.

## DEVIN

Devin hails from Atlanta, Georgia, where she lives on a ranch and raises wolves. "I love running through the woods naked with them," she says. "But my favorite thing to do is stay home and fuck, doggy-style preferably, so I can reach back and play with my clit. I come instantly that way." The 29-year-old erotic dancer made a few amateur tapes and, after checking out the jazz biz at the recent Consumer Electronics Show in Las Vegas, decided to "go for it." Her only pro appearance at press time was as Mr. Straight's secretary in Fresh Video's *The Flintbones*.

## EVE OF DESTRUCTION

**One-Quarter Erect.** Directed by Jack Stephen; starring Nikki Wilde, Sharise, Tiara West, Marc Wallace, Joey Silvera, Buck Adams and Sebastian. Videocassette: Cinderella.

Why is this called *Eve of Destruction*? Why is Marc Wallace trapped in a dark bathroom that he thinks is Hell? Why no hard-on while watching it? Wallace spends most of the video pacing in circles, yammering to himself. Two drawn-out sex scenes are intercut between his tirades to make up the bulk of the movie. Nikki Wilde and Sebastian fuck in a dark room. It's a yawner until he comes on her face. The other epic scene features Buck Adams and Joey Silvera porking Sharise and Tiara West, who do a little label-licking. Wallace somehow breaks out of Hell to fuck West, then awakens to find the whole fiasco was just a dream. Funny, it seemed like a nightmare. —Felix Del Gato

*Eve:* From dream to nightmare.

## INDIAN SUMMER

**Half Erect.** Directed by Paul Thomas; starring Hyapatia Lee, Savannah, Randy West, Madison, Tianna, Paula Price, Peter North, Biff Malibu, Wayne Summers and Bud Lee. Videocassette: Vivid. Shot on Film.

*Indian Summer* is a perfect example of director Paul Thomas's limp-dick shortcomings. There is no nut-wrenching sexual impact. West boffs his imaginary lover, Savannah, but no cock pudding is shown. Likewise, beautiful Hyapatia Lee rides bulky Biff Malibu's tool, but Thomas robs viewers of the gooey, climactic prize. Ever-hot Tianna talks dirty and heats things up in the final scene with a be-rubbered West prick. But instead of taking it on the mug, tits or ass, she simply smears the dribble around like hand lotion. In place of fucking, this supposed fuck flick has lots of mincing and capering and an extended attempt by Madison to verbally arouse Wayne Summers's trouser carp. He's left to do all the work manually, without much help from Maddy—just as strokers will find themselves doing, without much help from Thomas. —Dewey Huevos

*Summer:* Strokers won't get much.

**THE VISION** - Savannah, Crystal and K.C. Williams. Meet Stephanie Banks, the girl of your dreams! One slight catch is that she has a very vivid imagination and is very horny. It's the story of a writer's obsession with the delectable vixen he has created on pen and paper. Somewhere between reality and fiction stands Stephanie, "The Vision". When seeing is believing it has to be real... or does it?

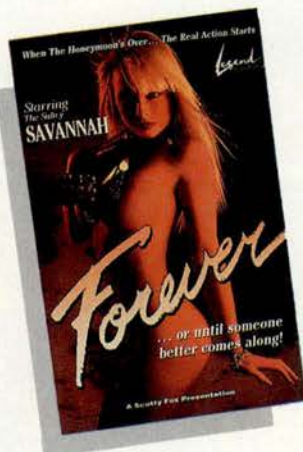

**LEGEND III** - Sandra Scream, Ashlyn Gere and Raven. Scotty Fox's third in this "legendary" series will literally blow you away! Her talents were legendary but had very little to do with acting. Go behind the scenes of the movie industry and witness the birth of a legend. The "ins and outs" are incredible and will turn you and the screen upside down and around!

Our Iron-clad guarantee that comes with every purchase also applies to this special offer. It's simple. If you are not 100% delighted with your purchase just return it within 30 days for your money back. No questions asked! But we're sure that you will be more than pleased with each of the 4 sexy videos starring the hottest names in the business. Please note: Due to the extremely unusual nature of this offer we reserve the right to return any order, unopened, after the first 5,000 sets have been sold.

**ECSTASY** - Savannah, Missy Warner and Candice are the subjects in a study of character development among other things. Poor Desire is being shipped off to the fictional archives until her very devoted fans go to great lengths to save their mistress in distress. This is one story where you will judge a book by it's cover! Also starring April Rayne who adds a steamy page or two to the book.

**FOREVER** - Savannah, Heather Brown and Trixi Tyler. When curvaceous Loretta and insatiable Delbert were so in lust, the only logical thing to do was get married. But, like the old saying, "When the honeymoon is over... it's over!" Trying to ease the rocky relationship, they go to great lengths to solve their problems. As it turns out, those lengths are just the right size!

# LETTERS

(continued from page 15)

I was a second away from whitewashing the fence with an extra coat when—"Woof! Woof!"—a dog started barking its fool head off from the house right behind me. Instinctively, I turned around and came dick to face with a fucking pimply rent-a-cop. "You better wait *riiiight* here, buddy," the fucker spouted, like he had some kind of authority.

I put my dick away as he knocked on the bikini woman's back gate. I thought about bolting from the scene, but the flexing muscles of her stout legs mesmerized me as she walked to the fence. While Mr. Security told her what I was doing, she sized me up, checking out the bulge in my jeans. It may sound corny, but when our eyes locked I knew everything would be cool. Sure enough, she shook her head, and the security dickhead went away disappointed.

"Were you really doing that while watching me?" she asked, obviously flattered.

"You are very sexy," I stammered.

"It's pretty hot today," she said, pulling her bunched-up bikini bottoms out from her rippling ass cheeks. "Join me for a swim?"

She led me back into her yard. I peeled off my jeans and felt a little stupid standing in my white butt-huggers. She set me at ease, however, when she pulled them down, allowing my still-hard cock to flop against her forehead. She giggled and pushed me backward into the water. I surfaced and stared as she undid her string top. Her breasts sagged naturally, and the sight of a few stretch marks was a welcome relief from today's silicone jungle.

She dove high over me and swam the length of the pool to the shallow water. I always judge a woman's beauty by how she looks wet. With her toned thighs cut in half by the water's surface and her long, auburn hair slicked back like a movie star, I thought I was seeing the goddess Venus. Only Venus never had the comfort of Bain de Soleil!

I swam over to her and dove at her pussy. She quickly moved her hips away and positioned me on the steps so that my dick treaded water. She started slowly, running the tip of her tongue sharply against my pisshole. Then she put her head underneath my cock and let the wood rest like a log on her fiery lips. She seemed uncomfortable every time I tried to touch her pussy; so I relaxed and let her do the work.

She cuddled my cock in her cleave, letting the water provide the necessary lubrication. The water was really splashing against her chest as the tit tide swelled. As her big cushions moved from the base to the head, waves began to roll within my tube. A slippery line of pre-cum connected the tip of my cock to the bottom of her

chin, until the force of her movements snapped the string.

With the sun bathing our bods, my dick exploded into the air. Chunks of sperm rocketed into rotation around her breasts, the largest piece clinging to her sun-reddened nipples for a moment before gravity sent it splashing to the water. As the spuzz droplets floated to the surface, she swam under the water and reemerged with her mouth open just beneath the cum flotilla. When she rose, the chlorinated jism hung like rubber cement from her chin. I laughed at her synchronized-swimming technique. She smiled, rolled the dollop into a ball between her fingers and playfully flicked it at me.

She floated back to the steps and kissed the tip of my cock. "Do me a favor," she asked. "Don't ever spy on me again, or I'll have you arrested." She said it with a smile, but I saw her point. No one wants to feel paranoid in their own home. I tried to apologize, but she kissed my mouth instead. As she sauntered up the steps to towel off, she said, "If you want to watch girls, go to a strip bar." I dressed quickly and continued my walk down the alley. I wished she hadn't said that.

## NEXT!

I began reading HUSTLER Magazine when I was 18 years old. Six years later I'm still reading. You've got a bitching mag.

I've noticed that HUSTLER publishes pictures of females alone, females with females, and females with males. You also sell ads to companies that advertise all-male videos and magazines. Also, I see a few bisexual video and mag ads. What I'm getting at is this: As a bisexual male, I would like to see some pictorials of bisexual males and females.

I don't think I'm the only bisexual male who reads HUSTLER or who feels this way. Hope you can consider this request!

## BLOW US!

I suppose some people view HUSTLER as a common, everyday porn mag. I've always viewed each issue as a literary masterpiece! This last issue, June 1992, pushed my devotion to an even higher plateau, prompting me to write this letter of praise. I'm constantly amazed by the uncompromising blend of ingredients that makes HUSTLER such a priceless commodity to American life.

The sheer porn alone lays any ordinary fuck mag to waste; yet there are so many other factors involved. In a single issue, my mind can be blown by a unique fictional work such as Paul Desmond's *Adam and Eve* (The Story of Adam and Eve, June '92). Then, on the next page, HUSTLER's unmistakable brand of humor leaves me practically in tears. Things like Christian Shapiro's review of the fuck-flick *You Bet Your Ass*, where he candidly describes "big, dangling breasts that drape like some kind of nectar-swollen god-fruit" ("You Bet Your Ass," *Erotic Entertainment*, June '92). Say what?

I've been a professional musician my entire life, but I'd trade it all in tomorrow for a chance to write adult-video reviews for HUSTLER. Be assured that I would gracefully carry on the tradition of subtle wit and genius that your writers have consistently displayed throughout HUSTLER's glorious history. Thanks for the real entertainment.

## ROLL WITH IT

I have written you asking for a mention in HUSTLER for my "Miss Wheelchair-lover" comic book, but I guess you want to ignore me. That's A-OK with me. That's why I chose the name "The Rodeo Clown With the Two Paralyzed Legs." People always write off paraplegics as clowns, i.e., "Who's that clown?"

But the beautiful models in HUSTLER are still giving me all the love I need! I wrote telling you that I caught some little

HUSTLER gals around my apartment and wondered if any of your other readers had experienced the same thing. I got some more photos of them to prove what I'm saying. I thought you might like to know HUSTLER is good magic!

Two of these beautiful, giving chickydoodles I caught outside with my camera. They were asking me if they could come in and be my friends. Which they did. (You can guess.) The other one woke me up and crawled up somehow onto my wheelchair. She also became a good friend that night. She wanted to tell me how much she loved me.

So long! Good luck with HUSTLER!

## LOSING ALTITUDE

Your response to M. B. ("Plain Lazy," *Feedback*, June '92) did not address his question of how erotic the letter in question is ("Plane Crazy," *Hot Letters*, October '91).

I have no problem with your printing such a letter; I just don't understand your printing it under the heading *Hot Letters*. What percentage of HUSTLER readers were actually turned-on by it? Or does the word *hot* refer to being angry rather than turned-on?

"Plane Crazy" ("Plain Lazy," *Feedback*, June '92). I enjoyed the letter. I've been fucked by the airlines, and I have bought my share of whores to pass the time! So what? The guy fucked her and shit on her. He didn't rape her; she was paid.

Where the fuck does M. B. get off? Probably in a men's room! He wouldn't know a good magazine, let alone a slut, if she grabbed his balls—if he has any! —B. K.  
Portland, Maine

#### CELLIE OWES A BUTT

HUSTLER is the best! I'm in prison right now, serving a four-year sentence. I recently got hold of HUSTLER's March 1992 issue. Jesus, the photos of Alicia really got my heart pounding and something else (*Alicia: Icy Hot*, March '92)! I've been buying HUSTLER for years and will continue to do so until I'm too old to flip the pages. What really turns me on are *Erotic Entertainment* and *Beaver Hunt*. Keep up the good work, and please print my letter. My cellie says I'm crazy. He thinks you won't print my letter. Please prove him wrong!

—N. N.  
Vandalia, Illinois

#### LITTLE TOO LATE

LAPD beat their case/Rodney King lost his face/Welcome to the human race/Police brutality, an age-old formality/The rights they read so soon recede/To the clubbing you will heed/Take the blows while you plead/Now it's time for you to bleed/Is this the protection that we need?/"To serve and protect"?/More like "To disturb and to wreck." —L. O.  
Hudson, New York

#### WORTH WATCHING

I did a double take when I read the April 25, 1992, issue of *TV Guide*. On page 56, the Saturday listing for *Empty Nest*, 7:30 p.m., Channel 5, reads: "Barbara eats Carol for lunch..." Now it wouldn't be an "empty nest" if Barbara's tongue were in it, would it? I'd like to see Kristy McNichol eat Dinah Manoff's pussy!

—T. F.  
Bollingbrook, Illinois

#### PASSING GRADE

As a longtime HUSTLER fan, I'm dropping you a note about what your magazine has become in the last five years.

HUSTLER doesn't feature mind-blowing, good-looking women as often as it used to. Its fantasy-sets are too boring and not especially imaginative. Maybe your sources have gotten too narrow. I can't help feeling that HUSTLER is actually getting left behind. It's no longer a mirror of the changing times.

I'm not going to buy HUSTLER anymore, but I'll give CHIC a try before I give up all hope of your products. —C. L.  
Göteborg, Sweden

#### FIRST AMENDMENT TEST

Hey, HUSTLER, how's it going? Okay with me, except I didn't like that towel-headed, sand-nigger S. S. from Calgary, Canada—nor did I like his jealous comments about white people in the USA ("Funny Smell," *Feedback*, June '92).

First of all, you llama-laying prick, you and your people are worthless, little specks that could easily be flicked from the face of the earth at any given time. That's only if we chose to waste our awesome energy on fly shit like you and your Saddam Hussein.

Secondly, you persian pussy (please note that I spelled your nationality with a small p), isn't it your people that would choose a man's asshole over a woman's pussy hole? I thought so.

Third of all, where the fuck is Calgary, Canada? Must be some tiny, little town full of trappers and fur traders who've never seen a pussy in their life. I see it all so clearly now! You hang out with them 'cause they're the only dimwitted Caucasians who will accept you on their turf, which, of course, makes it that much

easier for you to screw their bashful, little, village boys. *Ha, ha!* I wouldn't feel sorry for us, my friendly, little foe, 'cause you're indeed the one with the pussy problems, not us.

And last of all, I'd like to ask why it is you're reading, or should I say jacking off to, HUSTLER Magazine, when you're supposed to be the stud of Calgary, Canada? Are you sure you don't have yourself a lifetime subscription?

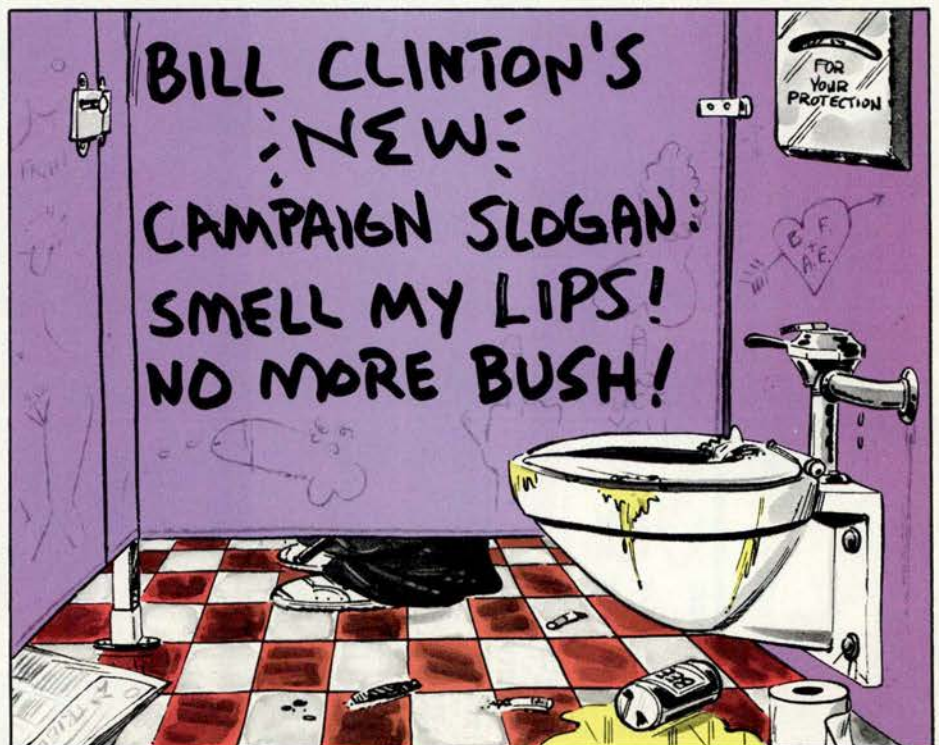

I enjoy the hell out of HUSTLER Magazine. There ain't a skin mag on the market that could come anywhere near the satisfaction I get with HUSTLER. And I mean *satisfaction* in every sense of the word. Especially since I'm in prison. —S. C. S.  
Pendleton, Oregon

#### HEEBIE SHEEBIE

I've exhausted my patience and money looking for genuine she-male videos whereby I may view these hard, well-hung dicks penetrating succulent, inviting cunts. Can you supply me with the name of one outlet that produces she-male videos where there are fully erect boners on reasonably attractive people actually fucking a female? No sucking. No limp dicks. No butt-banging on other she-

# HUSTLER'S CAMPUS GUIDE FOR 1992

Drop In, Drop Trou...  
Drop Out

What a woman's  
coif says about  
her:

## Hairy

She's a handful. Born in the '60s, but has yet to make it out. Turn-ons: Flannel, armpit hair, the Dead. Turn-offs: Rising cost of LSD, bathing and grooming. Favorite Movie: *JFK*.

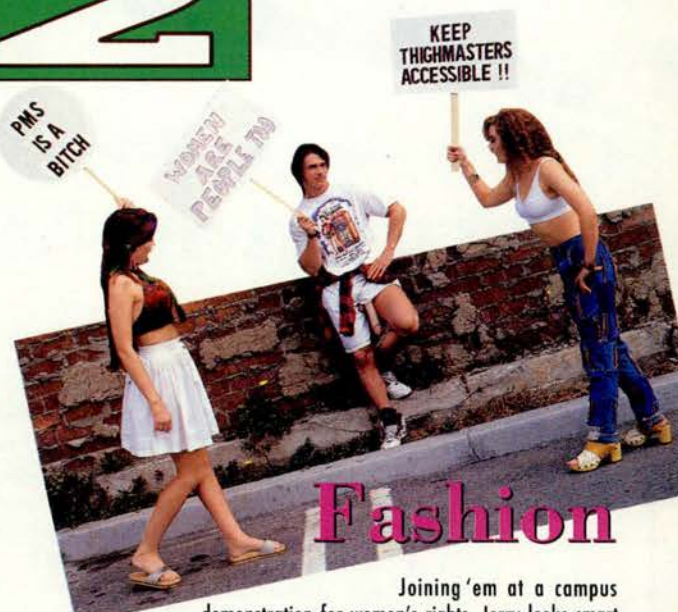

## Shaved

A slut. Doesn't know a political party from a frat party. Turn-ons: Three fingers in her pussy and a thumb in her ass. Turn-offs: Puke stuck in her hair, Walkman static, uptight people. Favorite movie: *JFK*.

## Waxed

A JAP. Her parents could buy and sell you. Turn-ons: Acrylic, tetracycline. Turn-offs: Condom spillage, back hair. Favorite movie: *JFK*.

## Fashion

Joining 'em at a campus demonstration for women's rights, Jerry looks smart wearing a pair of his dead brother's cotton shorts. The fabric allows him the freedom to flash, while the flannel shirt he stole from a Seattle student's dorm room remains close by for quick concealment. His cock, which hangs at a 170-degree angle to the left, shows Jerry to be a right-brained thinker—honest, yet aggressive—with a bit of tease tossed in for good measure.

Quoting from the *Exorcist*

# Accessories

## Famous People who never attended college

George Washington, 1st U.S. President  
Abraham Lincoln, 16th U.S. President

## Courses For a Changing World

School systems have changed the thrust of their classroom lessons to better reflect today's complex world. In selecting a schedule this fall, consider HUSTLER's updated curriculum.

### Theatre Arts 222 - "Acting as Art"

Learn to "act" your way around a bustling restaurant milieu, inspiring patrons to leave the big tip.

### Business 237

Learn to adjust to the numerous pressures of office life. Take that important call, dictate that letter and never lose a beat inside your secretary's pussy. You'll say, "Yes, I can!"

### Economics 101

Are soup cans worth more than recycled soda cans? Is there money in collecting plastic litre bottles? What to look for in a good shopping cart. This exciting, outdoor course scratches society's underbelly.

### Criminal Law 110

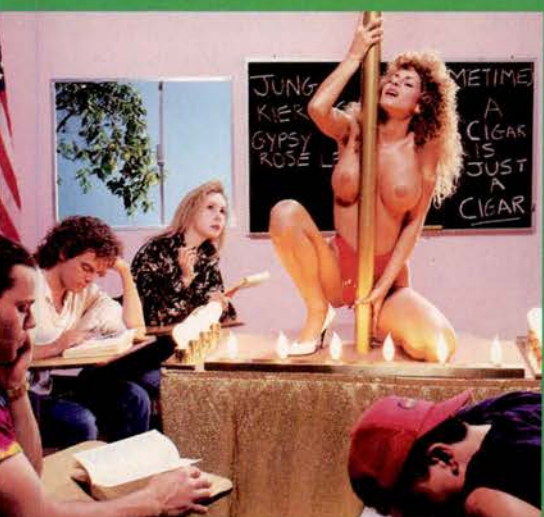

How many cyanide tablets does it take to kill a man? An intriguing introduction to crime and punishment.

### Sociology 432

How to look pathetic and appeal to others' guilt. A necessary tool for every student with a frugal set of parents.

### Political Ethics

Class closed due to low enrollment.

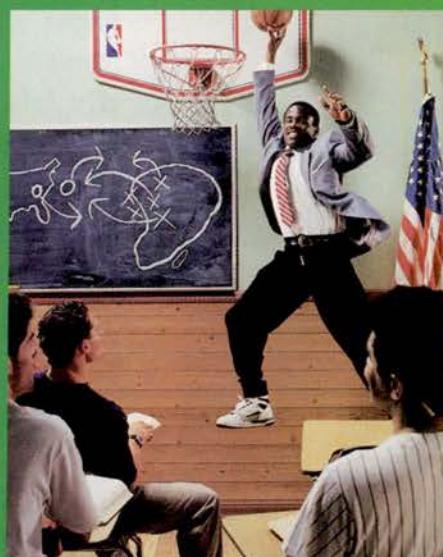

### PSYCH 321

An upper-level course in this department. A must for female psych majors. Learn proper stripping technique and minimize nagging pole burns. (Heterosexual men may substitute the Theatre Arts 222 class to satisfy this requirement.)

### PAN-AFRICAN STUDIES 101

Course discussions include the Afro-American's contributions to modern culture. Spike Lee will give a guest lecture midway through the term titled, "How the Fate of the Slaves Might've Changed if They'd Had Air Jordans."

# Interpreting the College Counselor

The guidance of the campus counselor is generally the student's first brush with political doublespeak.

Understanding the hidden meanings may be the semester's most important lesson.

## What the counselor says:

"I'm glad you dropped by."

"Your SAT scores were in the perfect range for our curriculum."

"Find your niche, then stick with it!"

"Our state has one of the best placement programs for that major."

"We've experienced exciting, new changes in the Philosophy Department."

"I'm always here to help. Call if you have any questions."

## What he means:

"You've got five minutes, and next time make an appointment."

"You're an idiot."

"The Booze Barn on 3rd sells Bud by the keg."

"The unemployment office is on 5th and Kester."

"Most of the old professors were convicted of sexual harassment."

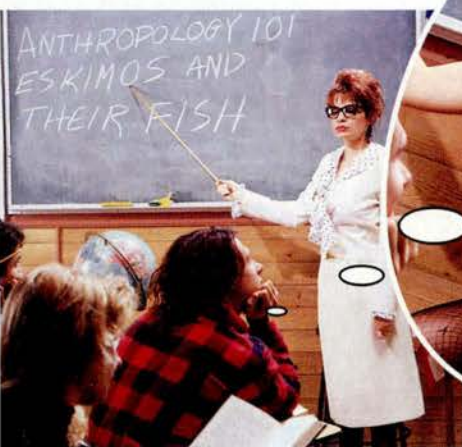

"Get out of my office."

## WHAT To Do if There Are No Spots to Park

Try the President's spot; he's never on campus. Park in the handicapped zone and use your brother's crutches. (Also good for female sympathy.) Drive to the liquor store, return to your apartment and study the bottom of a fifth.

## Finding the RIGHT Class

**Forget** about finding the "right" subjects. **Find** the right professor.

## How To Earn Money After Class

Sell your dormmate's Springsteen collection.

### How to get the '90s college babe into bed

Ah, the ultimate extracurricular activity! But the days of boorish machismo went out with the Toga party. Today's HUSTLER man identifies with a woman's needs, then lures her into bed. It's cheaper than spiking her punch.

"Everybody who is incapable of learning has taken to teaching."

males. Just a wholesome, welcomed combination of a she-male and females. HUSTLER's advice and consent has always inspired me and warned me of values and hazards. I trust you. —G. B. Belen, New Mexico

## OKAY, MOM

Don't go out on the street and pick up men for their fuck, as you or one of the other magazines in your field suggest you do. You will have to face a living nightmare in your actions and theirs if you do. —L. P. Marina Del Rey, California

## PLUG AHOY!

I'm writing in hopes that HUSTLER can help me out. I read HUSTLER every month. I like *Feedback* a lot. This is what I would like for you to do. I love eating pussy. The more hot, sweet, wet pussy I get, I like. But I have had a hard time finding girls to eat out. I would like for you to put my name and address in *Feedback* so I can get some of the ladies that read HUSTLER. I'm a single, white male, 44 years old. I would like letters and photos from all the girls who would like me to come see them. I will drive to the girls that write me a letter. Thank you, *Feedback*, for your help on this. —C. D. Lincoln, Nebraska

Are you in luck, C. D.! Check out *Break the Clench: Porn Stars Tell How to Get a Girl to Do Anything, Anytime, Anywhere* in HUSTLER next month. Perfect a few tips from Keisha, Jeanna Fine, Amber Lynn and Hyapatia Lee, among others, and you will be in control, *Tongue Master!*

## MOUTHFUL

My boyfriend buys HUSTLER every month. I read it before he does! What I'm writing about is, why doesn't HUSTLER show more pictures of girls with small breasts? I have small breasts, and my boyfriend loves them. There are

a lot of men who love them. I don't wear a bra, and I feel very sexy. If you need some small-breasted girls, I'd be happy to model for you. We love HUSTLER!

—L. C. Cypress, California

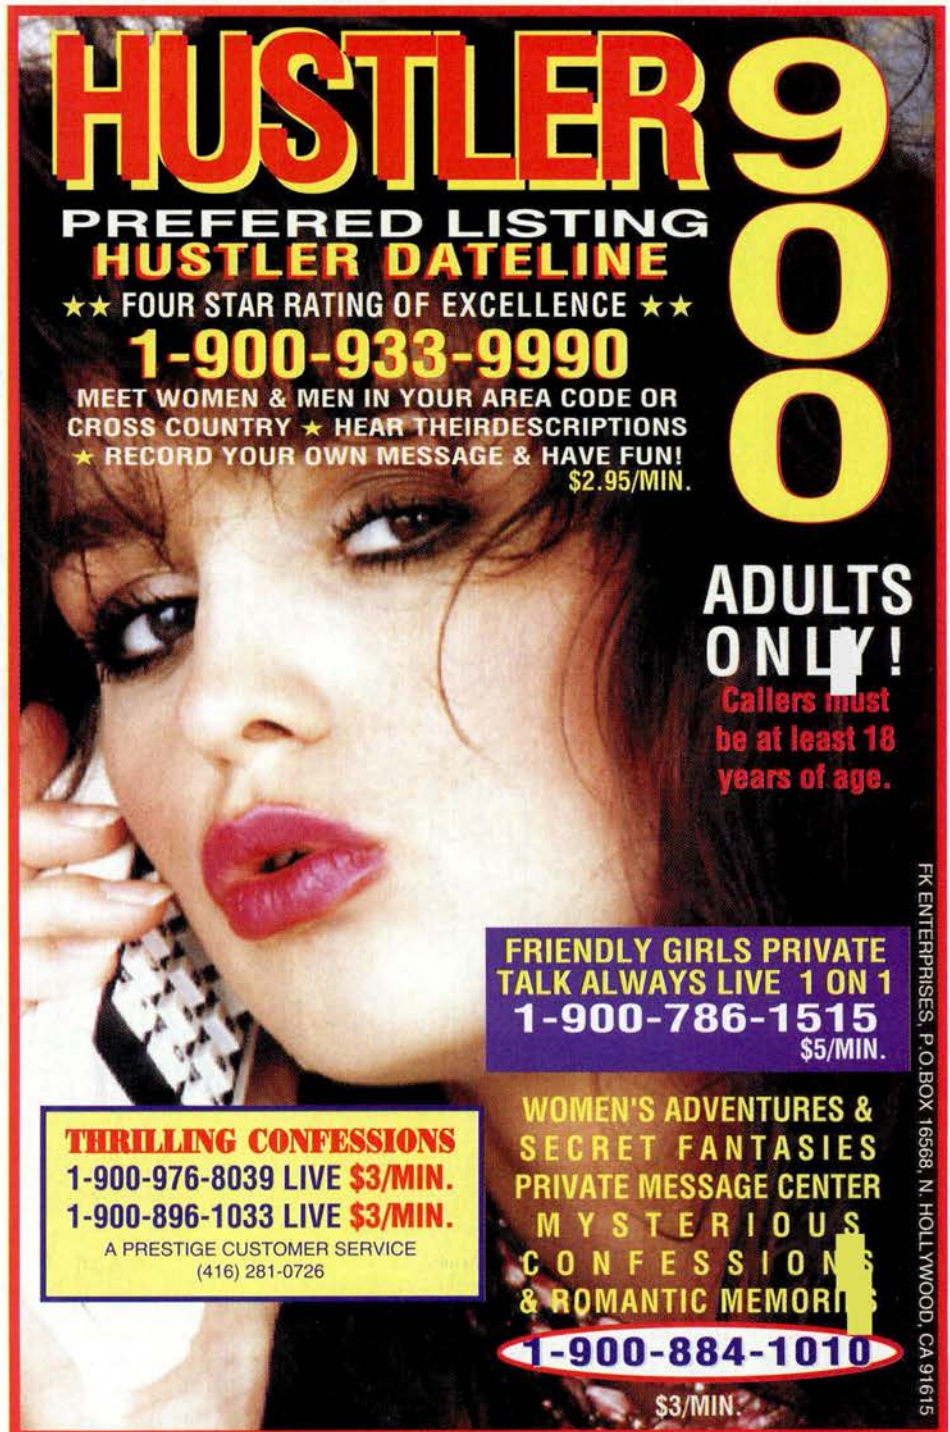

HUSTLER has no bias against small-breasted women, L. C.! Send your photo to *Beaver Hunt*, and let us prove it to you!

## HOOKED A LIVE ONE

I don't get it! I just don't get it! All I'm saying is, HUSTLER did it again! I'm referring

to Jesse (*Jesse: Fly Fishin'*, May '92). She has got the most beautiful pussy this side of heaven. Keep up the good work, troops! If you run into Jesse, tell her to look me up in the next life. Thanks again! —J. M. Hershey, Pennsylvania

1-800-727-7550 has babes with huge tits to fuck!

*Weekend Massacre.* She says the fans of her writing expect her to make porn movies.

"My market demands it. A lot of my stuff is sexual and deviant. People would be disappointed if I weren't making porn movies. They'd say, 'She's just a poseur.' I don't really care if someone finds a picture of me sucking a dog, as long as I look good. The only thing I worry about is an unflattering angle. I'm just so fucking vain that the most traumatizing thing for me would be a poor picture."

Success as a writer doesn't mean she's going to stop making porn movies. "It's kind of like having Metallica tattooed on your stomach," goes her effortless metaphor. "If you're sure you're going to be a Metallica fan all your life, what does it matter?"

Tracy Quan is a New York callgirl/writer who's written for *Beaver* and *High Society*. She's now an essayist at a literary journal called *VOX* and an eloquent member of P.O.N.Y. (Prostitutes of New York). Turning tricks not only helped Tracy with her erotic prose, but vice versa. "I found that seeing guys was helpful to me as a porn writer," she says. "I also found that my writing porn has helped me with the guys. As I began to bring an understanding of the physical world to my writing, so I brought more of the mental/verbal realm into my work. In the beginning of my hooking career, I didn't know how to talk to a client. Writing helped me gain confidence in my ability to express my ideas. Now I'm able to keep up a constant filthy patter. It took a long time to learn that."

A sleek Asian beauty in her 20s, Tracy's glad she learned writing at sex magazines. "It taught me discipline. At first, I was a bit of a spoiled brat about my ideas. I think it's okay to have orgasms on the job, but not when you're training, when you're learning how to do it. Then you should be in control. Hooking's like writing, in that regard. When you know the rules, you can break them."

"Over the years, I've taken note of how many really cool women I've met dancing," offers Heather Woodbury, a blond, 27-year-old performance artist and former go-go dancer who stars in an independently released video called *Hollow Venus*—the hot-blooded, warmhearted story of her years as a table dancer. "Table dancing is almost like a school; you can recognize the training. I call it the Go-Go Renaissance, because I think 40 years from now it'll be recognized as a certain era in adult entertainment. When I started at 17, I was already an actress. Go-go dancing taught me to be an artist. If I could get an audience that was totally uninterested in the fact that I was a human being to

see me as an erotic person, rather than a predictable, cardboard, jerk-off fantasy, then I was really learning how to work an audience. I've seen girls in go-go who were truly brilliant."

Diviana Ingravallo, a 26-year-old Italian writer and performance artist, recently moved from New York City to Hollywood. She's written a multimedia piece entitled *Naked Women*, the subject of which is go-go and lap dancing. "Working as a stripper in a hustle joint is very much connected to my art," Diviana confirms. "The sex business is a great place for creative material. When I'm working, I'm on stage eight whole hours. It's serious training. I have to talk guys into buying me drinks, which is tougher than any acting assignment in a heavy-duty drama school."

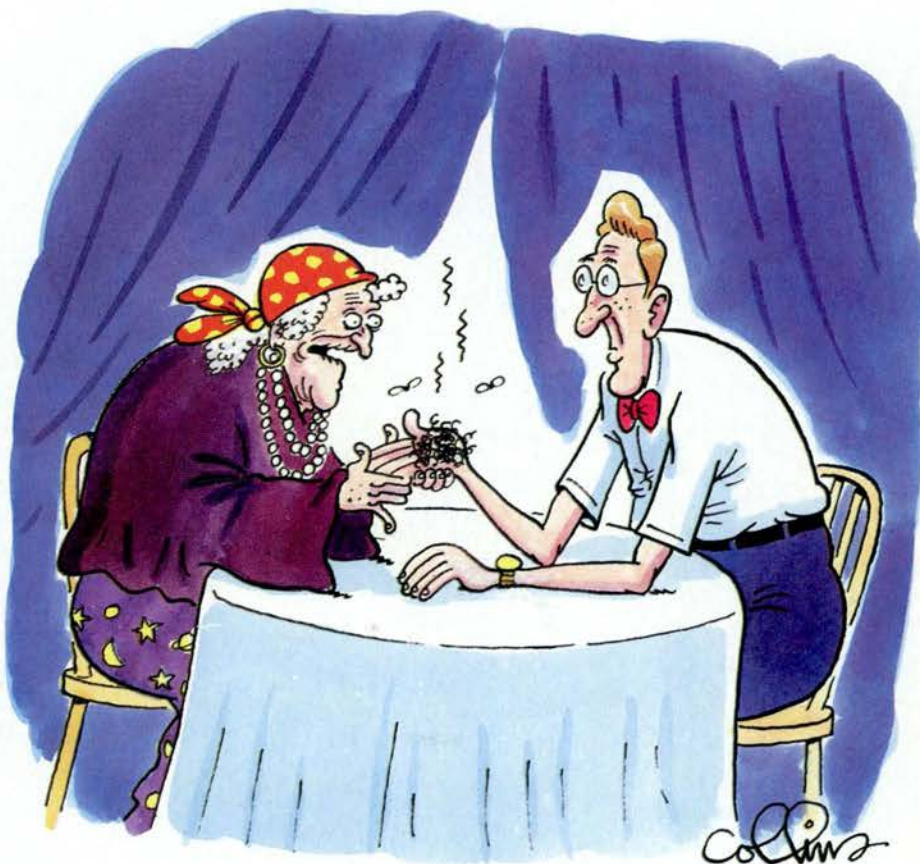

Melody J. Doves didn't start dancing to support her art, but to shimmy her way out of a credit-card debt. Her stage name originally came from a misprint on a Lord & Taylor charge card. Once she started shaking her boobs, however, she found herself obligated to record it somehow. "Every time I dance, I think of it in terms of a story. At the same time I'm participating in the job, the outsider in me is looking in on the situation. There came a point in my dancing career when all of a sudden I felt it was really important to write about it." Melody maintains a daily journal. She's thinking about putting it all in a book.

Painter/dominatrix Leslie Lowe works shifts as a mistress at the Vault, a popular West Village

S&M club. Tonight's the anniversary of the death of Elvis. Busty, blond Leslie's dressed like the King, but with cleavage and spiked heels and a set of wings with a little, neon halo. She's whacking a submissive with a Bible. Sex work not only provides Leslie with the means to continue painting—it gives her creativity a boost as well.

"One of my more brilliant moments came about in part because I have this big gripe about Catholicism," she describes. "This one guy would come to the Vault all the time dressed like a little boy, in shorts and a beanie. Sometimes he brought me a ruler to spank him with. I realized he went to a Catholic school as soon as I saw the ruler. One night, he started cruising a big lady with enormous tits. She was fat; she had a great chest—you could see he just wanted to dive right in. I said, 'Little boy, this is Mother Superior, and I'm Sister Veronica. You're being very naughty. I know you're trying to look up Mother Superior's skirt—Jesus's wife's pussy!' I put him in a cage!"

Pride in their work and an affection for their clients keep these creative women productive and happy. All agree that the wellspring of their talent will always be sex. Leslie just finished a sold-out show at New York's prestigious La Mama theater. She played a swimming pool. That's show business. Tonight she's spanking the jellylike ass of a drooling, crucified supplicant with the Book of Job. *That's art.* ☛

# Under the Law: Sex, Videotape and a Deputy's Wife

Report by Don Vaughan

The Willetses of Tamarac, Florida, were a two-income family. Daddy was a cop, and he helped Mom sell her pussy.

## DEPUTY'S WIFE

The Willetses placed an ad in the *Sun-Sentinel* reading: "Blonde. Hot body, very sexual, seeking generous male, for day/evening interludes."

Foster McAllester should have known there was going to be trouble when he heard snoring coming from his married girlfriend's bedroom closet during one of their frequent sexual encounters.

As the first telltale noises floated from behind the closet doors, 33-year-old Kathy Willets, McAllester's sexy, blond galpal, quickly changed the subject and hurried her lover from her well-appointed home in Tamarac, Florida, a quiet suburb of Fort Lauderdale.

McAllester, a 54-year-old building contractor who lived in nearby Weston, tried to put the bizarre incident out of his head. The situation gnawed at him, and he thought back to the first time he'd met Kathy for an afternoon rendezvous while her sheriff's-deputy husband was supposedly on patrol. Kathy had charged him \$150—her standard fee for an hour of passionate fucking.

There'd been a special spark between the two lovers. Pretty soon Kathy was seeing McAllester for free. She'd become emotionally attached to him.

Unfortunately for McAllester, it was Kathy's husband, 41-year-old Jeffrey Wil-

lets, he heard snoring in the bedroom closet that fateful afternoon. Willets, a 14-year law-enforcement veteran, didn't mind his wife screwing men for money, but love was out of the question.

Willets left a message on McAllester's phone machine, threatening him with violence if he didn't leave Kathy alone. Worried for his safety, McAllester took the tape to the Broward Sheriff's Office (BSO), where investigators recognized the voice as Willets's. McAllester then spilled the beans about Kathy's lucrative pay-for-play service—and alleged that Willets, a man who had sworn to uphold the law, was acting as her pimp.

"Our initial impression was that this was simply an unfortunate incident that would reflect poorly on the department," says BSO spokesman George Crolus. "A sheriff's deputy with an attractive wife puts her up for sale to make a little extra money. We thought that was going to be the extent of it."

Jeffrey Willets was arrested at the sheriff's substation in Tamarac, charged with deriving support from the earnings of a

prostitute. Police dropping by the Willets's home with a search warrant stumbled upon Kathy entertaining a client—one of more than 100, police say. No arrests were made. The frightened John was questioned, then told to scram.

As detectives searched the house for evidence, Kathy told them hooking was Jeff's idea. She didn't know what happened to the money, believed by police to be as much as \$2,000 a week. Later, during a press conference, Kathy would tell reporters that she made these statements under duress because police had threatened to take away her daughter if she didn't cooperate.

The Willetses had placed an ad in the personal section of the *Fort Lauderdale Sun-Sentinel* reading: "Frosted blonde. Great tan, hot body, very sexual, turquoise eyes, romantic and sensual, seeking generous, affluent executive male, for day/evening interludes. Fun-loving & hot."

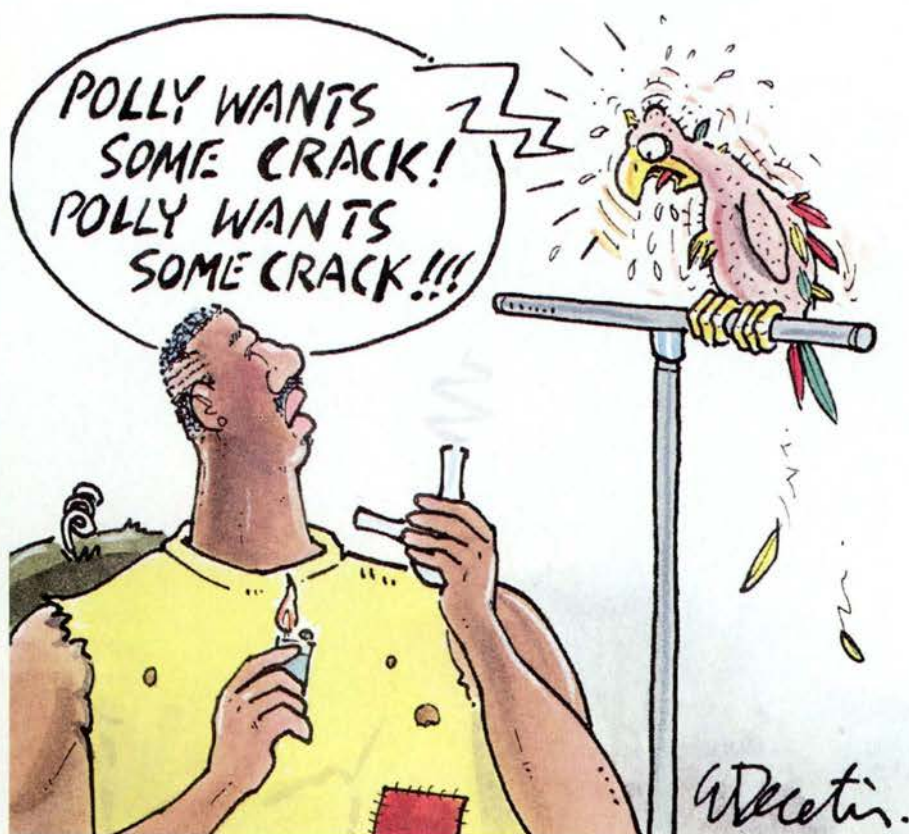

The ad included an address and a 900 number. Callers received this message: "This is Julie. I'm everything my ad says and much, much more. I'm 32, 5-4, 115 pounds, 36E-23-32. I don't smoke or do anything like that. I'm a very nice, nice person. Send a business card to the P.O. box, and I look forward to talking or maybe getting together. And by the way, I am very hot."

The ad drew such an incredible response that it was quickly discontinued because poor Kathy—who often wore gold nipple rings because they kept her constantly aroused—simply couldn't keep up with the number of men who wanted to bang her.

In their search of the house, police found bundles of unopened mail from men desperate to meet "Julie," a stack of business cards sent in by prospective clients and audiotapes containing conversations with Johns. From Jeffrey Willets's briefcase investigators confiscated records that suggested Kathy had been selling herself for \$50 to \$150 an hour for several months.

The story might have ended there—housewife hooker gets caught, does time—except for two things: The Willetses shrewdly hired media-savvy attorney Ellis Rubin to defend them, and police revealed they'd found the name of Fort Lauderdale Vice Mayor Doug Danziger on one of Kathy's client lists.

Vice Mayor Doug Danziger had run for office on a platform of family and community values. He'd made a name for himself campaigning against nude bars and adult-book stores. He'd managed to pass an ordinance that banned alcohol in Fort Lauderdale strip joints, an act that so incensed the owner of several local clubs that the man threatened to shower the

town with nude juice bars, including one right next door to Danziger's insurance office.

The 50-year-old churchgoing politician—father of four daughters—protested that he didn't know Kathy Willets, but no one seemed to be listening. And just days after the newspapers reported his association with the attractive housewife whore, he stepped down from the city council, citing personal reasons.

The allegation of Doug Danziger's bedroom appointment with Kathy Willets was the first of many bombshells dropped during the first few days of the Willets's case. Lawyer Ellis Rubin entered one of the most novel defenses ever to shock a jury's ears: *Kathy Willets wasn't a prostitute; she was a victim of nymphomania—and having sex with up to eight men a day was therapy for her condition!*

"What we're going to do is turn the courtroom into a classroom," Rubin told reporters. "We're all going to learn about nymphomania and surrogate sex.... There are times in the treatment of nymphomania and other sexual compulsions that require people to act out things. It's been recognized as a therapeutic method."

Considered one of the sharpest legal minds in the nation, Rubin, a 66-year-old trial lawyer, was infamous for his outrageous defenses. In 1977, he defended 15-year-old Ronnie Zamora of Miami against a murder charge by claiming the boy had offed an elderly neighbor because he was a victim of television intoxication. The jury apparently found the left-field defense a little too innovative and pronounced Zamora guilty.

In 1987, Rubin successfully defended accused father-killer Lisa Keller by claiming the girl had bludgeoned her domineering dad to death because she suffered from battered-woman's syndrome.

Rubin knew that the so-called nymphomania defense would catch the public ear. He followed up by claiming that Jeffrey Willets had become a closet voyeur because he suffered from bouts of impotence brought on by his wife's insatiable fucking. If that weren't enough, Rubin later added that Kathy's alleged nymphomania was sparked by the use of the antidepressant Prozac, an accusation a spokesman for the drug's manufacturer, Eli Lilly and Company, called "bizarre."

Kathy confirmed her nymphomania on the tabloid news show *A Current Affair*, titillating viewers with such mind-blowing snippets as the fact that she could get turned-on by a single touch, that she often had an orgasm while driving and that she had to have sex seven or eight times a day or she'd lie awake at night frustrated and unable to sleep. "I'm not an exhibitionist. I just love sex," Kathy stressed on camera, only to contradict herself by laughingly flashing her gorgeous, manmade tits at a passing boat on Biscayne Bay.

Jeffrey also used *A Current Affair* to explain his side of the story. "Kathy's sex drive was so great, I couldn't satisfy her anymore," he claimed. "She wanted to have sex continuously. I couldn't even get out of bed to get a drink of water."

According to Kathy, it was at that point that she told Jeff she'd leave him if he didn't help her satisfy her desires with other men.

"I would do anything for my wife," Jeff announced. "If having sex with other men makes her happy, then I'm happy. I'd do anything to keep my marriage together."

The Broward Sheriff's Office was stunned by word of Kathy's off-the-wall excuse.

"It certainly is a stretch to assume that a woman who is ill in some way would accept money to get her therapy, so to speak," said BSO spokesman Crolius.

"Everything she did fits the legal definition of prostitution up and down the line."

Jeffrey Willets met Kathy Anne Fede six years before, when he stopped her for driving with a broken taillight and expired tag. He was smitten with her immediately and helped her pay the ticket he issued. A week later, Jeffrey told his wife Debbie he was leaving her. After Debbie died in a car crash in 1988, their daughter Ashley moved in with Jeff and Kathy. The girl went to live with Debbie's parents when the Broward County scandal broke.

Willets joined the Fort Lauderdale Police Department in 1973—and was fired five years later. His records show a series of reprimands and two suspensions, one for sleeping in his patrol car while on duty. He later joined the Tamarac Police Department and became a sheriff's deputy when the department merged with the Broward Sheriff's Office.

"Jeff was a marginal employee," Crolius confirms. "His evaluations indicate a mediocre performance. Very few arrests. Very few field investigations. One of the police chiefs he worked for said Jeff was plain lazy, and that was also the impression I got when I spoke with internal-affairs investigators and Jeff's supervisors. He was far from the ideal sheriff's deputy."

riage, George and Mary Chaddon, wanted to maintain a close relationship with their granddaughter, but Jeff and Kathy showed nothing but contempt and hatred for the older couple.

Ultimately, the Chaddons sued the Willetses and the Broward Sheriff's Office, charging that Jeffrey and Kathy harassed them when they tried to visit. The suit also alleged that Jeffrey followed the Chaddons in his squad car and threatened to have fellow deputies keep an eye out for them on local highways.

Neighbors say the Willetses were difficult to get to know, though suspicious activities led most to believe that something odd was going on.

"In the two years I've lived next to them, I've had a total of 15 minutes' conversation with Jeff, and that was only because he wanted a tree I'd chopped down to use as firewood," says next-door neighbor Richard Spielberg, a division chief for nearby Sunrise Fire-Rescue.

Spielberg says two things struck him as odd about the Willetses: There was a constant stream of traffic to the house while Jeff was at work, and the couple kept

their fireplace burning no matter how hot it was outside.

"I suspected Kathy was cheating on Jeff," Spielberg admits. "All day long there would be cars in the driveway, cars like Mercedes and Lincoln Continentals. You never saw a '79 Chevy. And the people visiting were always men, never women. When Jeff was on patrol, he would sometimes drive by the house very slowly. My impression was that maybe she was cheating on him, and he was trying to catch her."

Kathy kept the air conditioner down low and the fireplace blazing because it set a romantic ambience for her sex-hungry clients.

When a john arrived at the Willetses' ranch-style house, Kathy greeted him with a smile and ushered him into her clean, homey living room, where they chatted briefly over tea. When the mood was right, she'd lead the man into the bedroom, which featured a king-size waterbed and large mirror on the ceiling.

After they'd finished screwing and the client had showered, Kathy would serve

drinks and offer more chitchat, after which they parted.

Unbeknownst to the client, there was a better-than-even chance that Jeffrey had watched the entire affair from the bedroom closet, jotting on a notepad the date, the client's first name, how much he paid and personal notes such as: "5 times/weird" or "1 time/talked too much."

When news of Jeff's revealing records broke, dozens of terrified johns—many of them family men with prominent businesses—begged their attorneys to file suit to prevent their names from becoming public. Lawyers for the media argued that the names should become public record, but the issue quickly became mired in legal maneuvers on both sides.

The mounting evidence against Kathy Willets early in the case suggested it might be better for her to throw herself on the mercy of the court rather than go to trial.

A plea bargain was suggested in which Kathy would escape with probation and her husband—who was, after all, a cop and should have known better—would serve a light jail sentence.

But just moments before the deal was struck, the state withdrew the offer and announced it was investigating allegations that Ellis Rubin's office had tried to sell a red-hot videotape of Kathy fucking the deposed Vice Mayor Danziger to a reporter with the syndicated TV tabloid show *Inside Edition* for \$60,000.

Rubin vehemently denied that his office was involved in any wrongdoing, but the story mushroomed when the *Miami Herald* and other area newspapers revealed that the incriminating tape—allegedly shot by Jeffrey from behind the bedroom closet door—had previously been offered by Willets to nude-bar magnate Michael Peters, whose Fort Lauderdale strip joints had long been targeted by the pious Vice Mayor.

"Mike said he wanted no part of it, and I also said, 'No way,'" says Fred Haddad, one of Peters's attorneys. "I'm no fan of Doug Danziger by a longshot, but this was ridiculous."

News of the videotape fueled speculation that the Willetses had planned all along to add blackmail to their prostitution scheme, and the state attorney's office raided Ellis Rubin's law offices to locate the incriminating tape. They walked out with dozens of videocassettes.

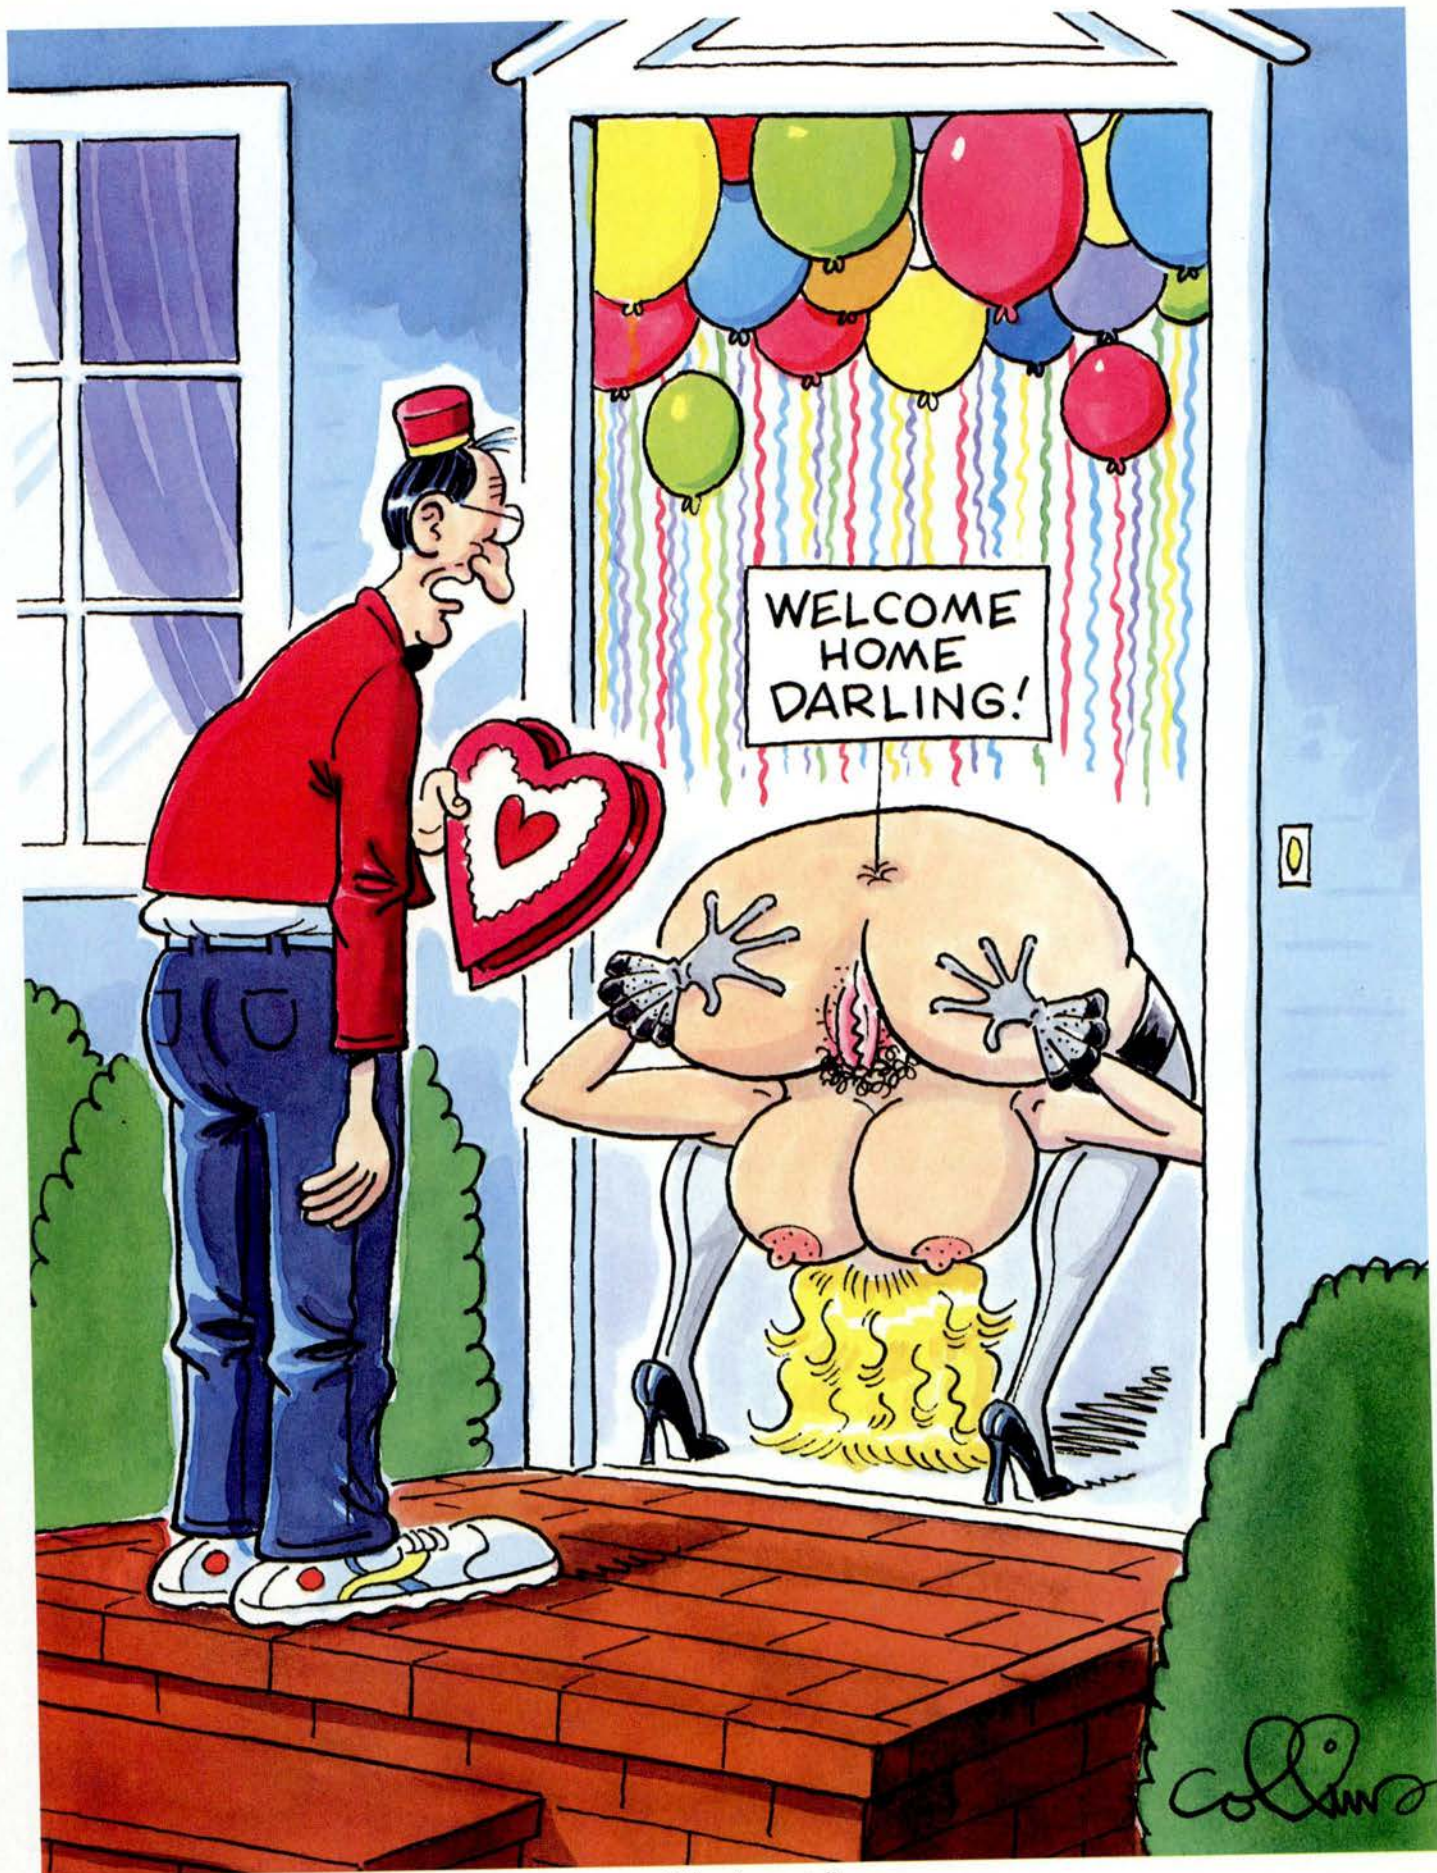

The prosecution, led by Broward Assistant State Attorney Joel Lazarus, pursued the case with astounding zeal. The Willetses quickly found themselves facing felony counts of wiretapping, based on stacks of confiscated audiotapes recorded without both parties' consent.

## America's Foster Kids Fall Through the Cracks

Report by Larry Wichman

Foster care in the U.S. may be many things—cruel, unjust and downright criminal, to name a few. When will these kids get a fair shake?

## FOSTER KIDS

Recent studies reveal that up to 69% of America's prison population spent some portion of their childhood in state institutions or foster care.

In 1987, Aston Braham, 69, moved his 13-year-old grandson, Arthur Christina, into his home in Harlem's Polo Grounds Housing Project in New York City. Years earlier, the youth had been removed from the custody of his mother—an alleged junkie—and placed in foster care by the city. Braham hoped that living with a relative would give the boy's life needed stability.

Christina proved to be more than Braham could handle. By age 16, he had been arrested on charges ranging from sexual abuse to drug sales and auto theft. By 17, he'd been arrested for the murder of his grandfather.

According to Lieutenant Kevin Perham of the NYPD, Christina beat the old man to death with his fists during an argument over the use of the telephone. The autopsy revealed that Braham's spine had been broken and that a powerful blow had splintered his ribs. One of the bone fragments had sliced open a major vein leading to the heart, causing massive internal bleeding.

Christina, who allegedly admitted his guilt under police interrogation, never summoned paramedics. As his grandfa-

ther slowly died on the living-room floor, he ransacked the apartment so that it would look as if it had been burglarized. Then he dialed 911 and reported finding the body. The officers who arrived at the apartment found the telephone cord wrapped around the old man's neck.

America's foster-care system, established to rescue and rehabilitate children born into troubled homes, processes tens of thousands of disenfranchised youth each year. Although foster children make up only one-half of 1% of the population of youth under 18, in 1990 they constituted 25% of the juvenile delinquents in custody of the California Youth Authority.

Recent studies reveal that up to 69% of America's prison population—which stood at 771,243 in 1991—spent some portion of their childhood in state institutions or foster care. Such criminals, having failed to develop a social conscience during childhood, are prone to feel little or no remorse, no matter how vile their offense.

"[Criminals who have been abandoned in childhood] are especially aggressive,

reckless and cruel to others," reports Dr. Ken Magid, chief of psychological services at Golden Medical Clinic in Golden, Colorado. "They leave in their wake a huge amount of human suffering."

In his book *High-Risk Children Without a Conscience* (Bantam Books, 1987), Dr. Magid explains that most criminal psychopaths begin life as emotionally unattached children—a condition that results when a child is abused, neglected or removed from his parents during infancy or childhood. "Whatever happens, right or wrong, in the critical first two years of a baby's life will imprint that child as an adult," he writes. "If the proper bonding and subsequent attachment does not occur—usually between the child and the mother—the child will develop [a pathological] mistrust and a deep-seated rage. He becomes a child without a conscience."

Because of his ferocity, 28-year-old Willie Bosket is held in a specially constructed, maximum-security cell in Woodbourne State Prison, where he is kept under 24-hour video surveillance. When out of his cell, his hands and feet remain manacled at all times, even during the hour he spends alone each day in the exercise yard. Guards are forbidden to speak to him.

Bosket has a criminal dossier dating back to his childhood, which he spent bouncing between juvenile detention centers and group foster homes. By age 15, he had killed two men during robberies, shooting one of them in the face because the man didn't have any money, a crime which prompted New York State to pass a law allowing juveniles as young as 13 to be tried as adults. While serving a subsequent five-year sentence in a youth facility, Bosket committed a series of savage assaults, crushing one guard's skull with a pipe, attacking two others with a hammer and stabbing a fellow inmate with a fork.

At 20, Bosket was arrested and sent to prison for robbing and shooting an elderly, blind man in the New York City subway. While serving the first two years of a seven-year sentence, he was cited for 27 acts of felony misconduct, including ten assaults on the prison staff and seven attempts at arson. Bosket will not be eligible for parole until age 79.

"By 14, Willie was a completely institutionalized youngster," notes former child-care worker Martin Gallanter, who recalls that, even as a child, Bosket's reputation for violence preceded him. "I remember the ease and conviction with which he said that killing someone would be 'no big deal.'"

Bosket tried to kill Gallanter with a pool cue. A year later he'd committed his first murder, in his words, "for the experience."

**A** woman was being examined by her gynecologist. He told her to stop by his office after she'd finished dressing. Nervous, she walked into the doctor's office a few minutes later. "Is there something wrong, Doctor?" she asked.

"No, everything is fine," he told her. "I just wanted to tell you that you have the biggest hole I've ever seen! That's all."

Needless to say, the woman was thoroughly disgusted and vowed never to return to that doctor again. Yet, she couldn't help being somewhat paranoid. When she arrived back home, she laid a large mirror on the bedroom floor, undressed and stood over it to see for herself. Her husband startled her when he walked in and asked, "What the hell are you doing?"

"What does it look like?" she snapped. "I'm ice skating."

"Well, be careful, or you might fall in that big hole in the ice."

The doctor assured him that constipation was a common problem and wrote out a prescription. "Take one tablespoon three times a day, and call me if the problem persists into next week."

A week later, Ralph was on the phone, complaining that his bowels still had not moved. "Hmmm," mused the doctor, "I'm calling a prescription in to your pharmacy for some pills. One every four hours should do it, but come in next week if you're still having trouble."

After a week had gone by, Ralph came into the office. "This is really scaring me, Doc—the pills haven't had any effect at all, and I've been taking them just like you said."

"Obviously, this case is more intractable than I thought," the physician admitted. "I'd better get a complete history—what do you do for a living?"

"I'm an autoworker."

"Aha!" exclaimed the doctor, brightening and reaching for his wallet. "Why didn't you say so in the first place? All you need is a little money for some food."

# WHORE HORRORS

"Guys don't realize how vulnerable they are out there. Once your pants are down, even a small woman is in a position to take advantage of you."

[Editor's Note: Many of the victims cited in this article have had their names and identities altered to protect their privacy.]

It had been a frustrating night, on both sides of the transaction. Michelle D. cursed the shoe salesman who had wedged her toes into these torturous, needle-heeled pumps as she trudged up the steep part of Palm Avenue toward Sunset Boulevard. Five minutes earlier, she'd blown a short, bald bully of a trick who, like Michelle, worked in some facet of the entertainment industry. She had made him promise to give her a lift back up to the top of the hill, but he'd shot his wad, booted her out of the Acura and driven off.

Forty-year-old landscape engineer John Thompson could not have anticipated Michelle D.'s evil humor, though she saw him coming four city blocks away.

Thompson spotted Michelle just as a picture of his scornful wife entered his thoughts. The contempt in Michelle's eyes was even harsher than the disdain awaiting Thompson at home but, unlike the connubial shrew, he could at least hope to pump a spermy dollop of futility and resentment into the harpy of the streets.

John's first mistake in his relationship with Michelle was his method of haggling the price. He told her that she looked tired and old. She got in the truck anyway, which should have given him a clue, but didn't. Michelle vowed that she would rip him off, and she would have left it at that, except that John needed to wear her shoes. He forked over his cash, and he pawed at her too-tight pumps. Michelle struggled, but John threw his bulk against her. He wrenched the heels and tugged. His incipient transvestism had been a bone of contention in his marriage but, as long as he was paying for sex, he would take it as he liked it. Unfortunately for him, he took a corn and two blisters off Michelle's feet along with the shoes.

John stooped to unlace his work boots, and Michelle went into her purse.

"I'll pay extra," pleaded John, "if you'll lend me some of your makeup."

But she had fished out mace, not lipstick. She gave it to him straight where he would have preferred some eye shadow.

As his vision faded, events blurred for John. He was surprised at both Michelle's strength and at her agility. She squirmed

out from under his flab and stuffed her cum-crustied panties into his gaping maw to stifle his bleats of distress. Her vise-grip thighs pinioned his arms. She pulled a blade and cut his wallet from his pants. Then she cut his pants and skivvies from his body. After checking the contents of John's wallet, she calculated that she could afford a new pair of cuffs for her specialty clients, and firmly manacled John's wrists behind his back. His eyes were clearing; so she gave him another shot of mace.

John didn't know if he were living his worst nightmare or his most cherished fantasy. Using lip gloss, mascara and rouge, Michelle adeptly transformed his face into a clownish parody of femininity. She disposed of his shirt and drew a passion-red bra around his hairy tits. She took her gravy-train panties from his mouth, warned him not to make a peep and slid the silkies on over his inexplicably raging bone. She tossed his work boots out the pickup's window, knifed off his socks and, for the finishing touch, crammed his stinking, fat feet into her hated shoes. She turned on the truck's ignition, put it into gear and eased into the bumper-to-bumper Sunset traffic.

"Scream all you want to now," urged Michelle as she swung open the passenger door. John Thompson tumbled into the boulevard, directly in front of the legion of paparazzi that Michelle knew would be stationed in front of Le Dôme.

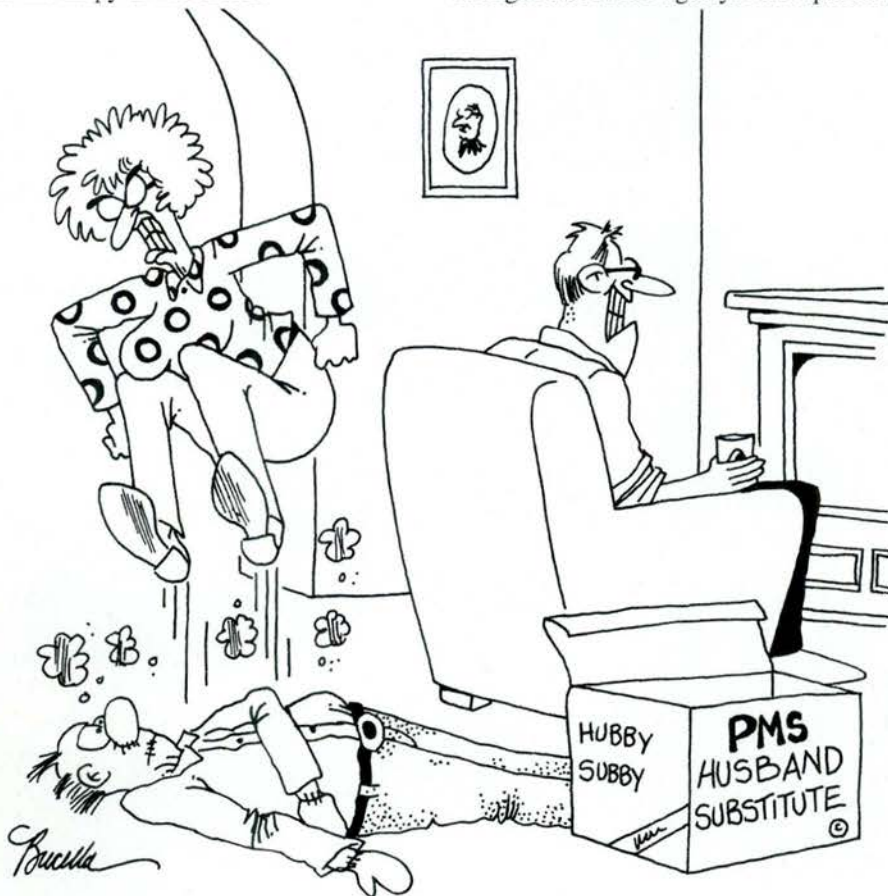

As John scuttled in a mauve G-string, kicking up his stiletto-heeled hooves like some Raid-addled, priapic beetle beneath the flashbulbs of the frenzied, celebrity photographers, Michelle D. drove toward home. Her feet felt better already.

It's difficult to keep accurate statistics on harlot-perpetrated mayhem. Most men and the considerable women who find themselves harmed at the hands of a hooker are reluctant to admit the true nature of their illegal assignment to police while recounting the incident. Victims disguise details, if reporting the crime at all. However, experts estimate that just about every idiot and asshole who makes a habit of harassing b-girls gets a bitch of a turn-about sooner or later.

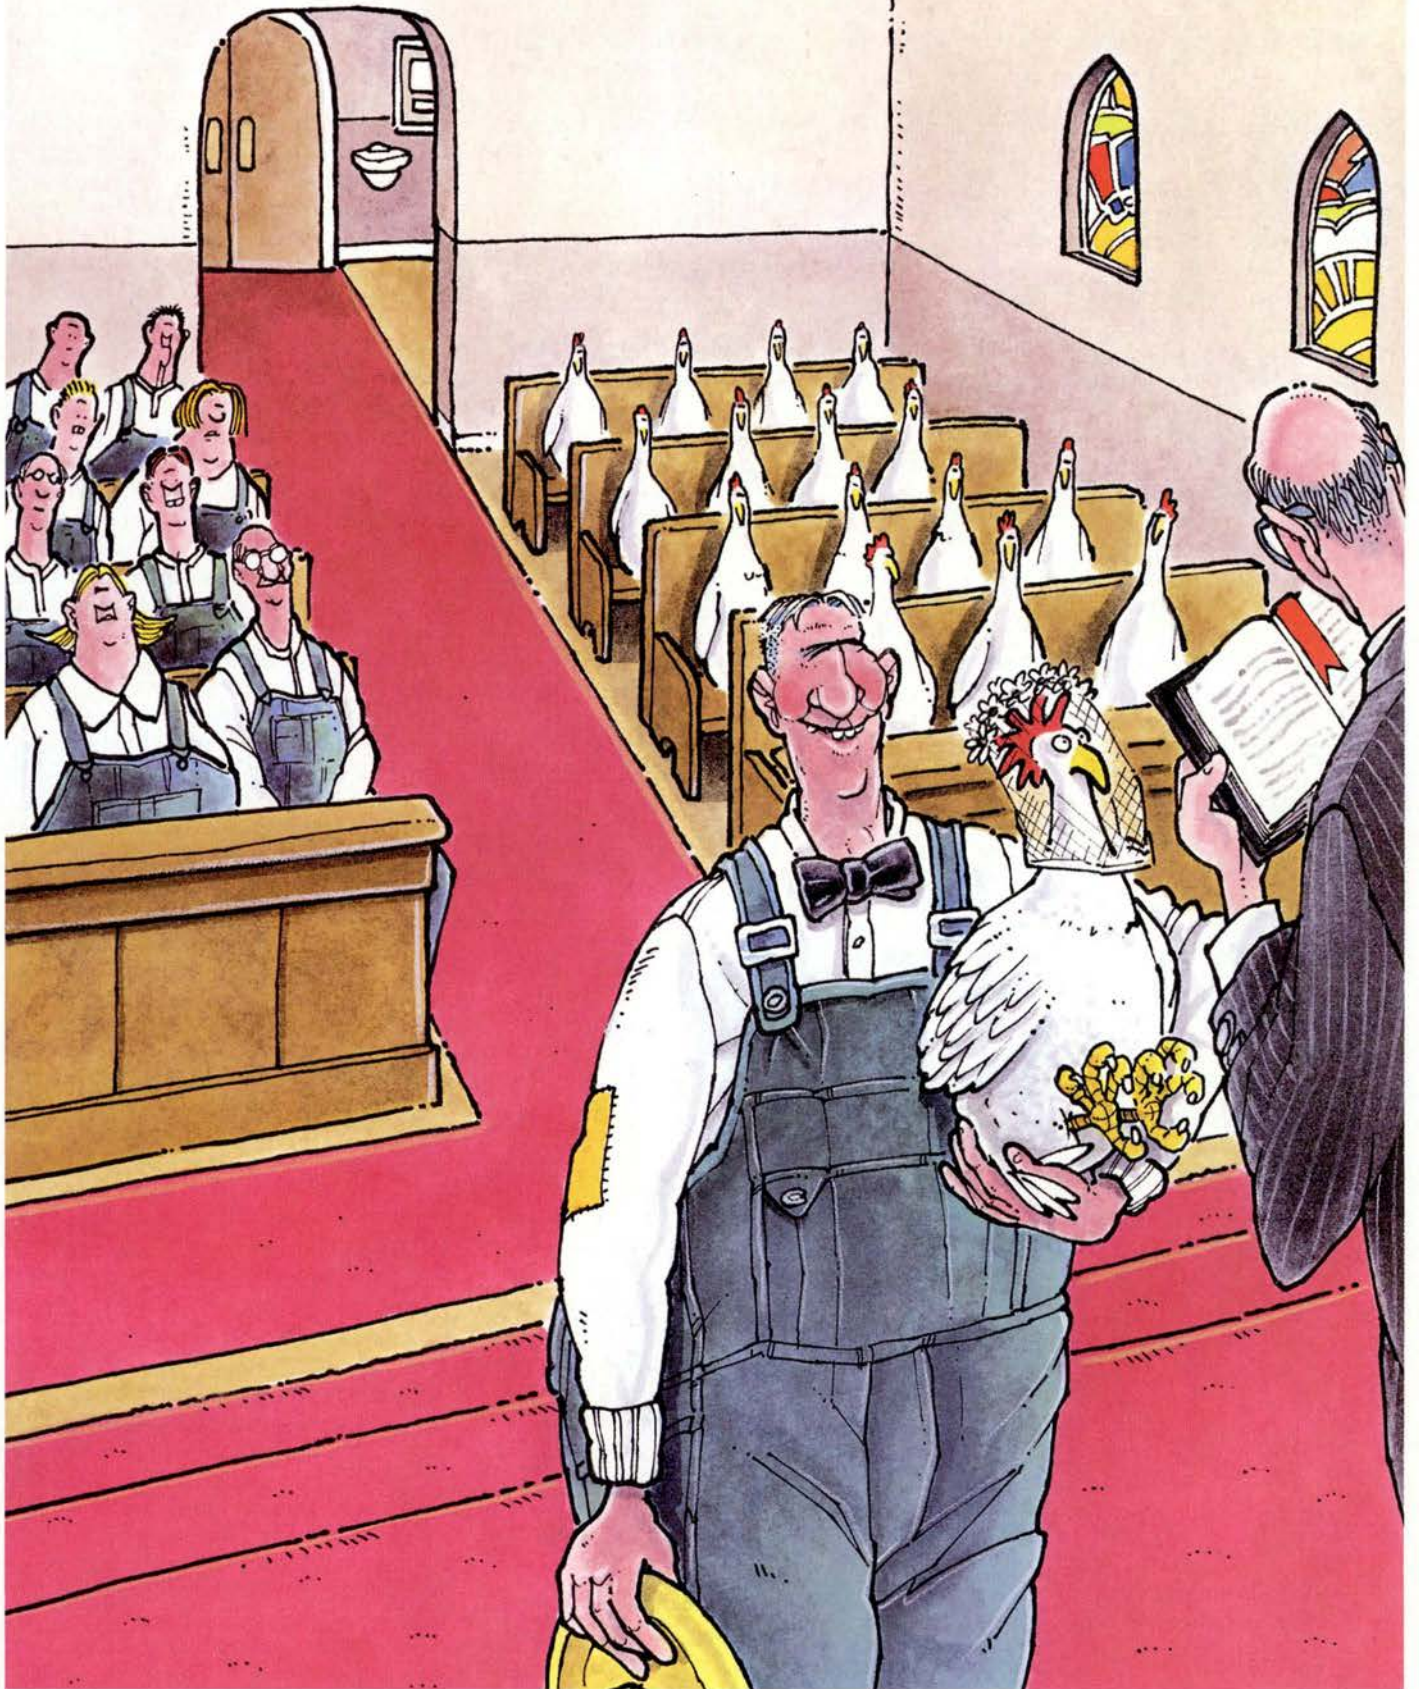

"A lot of guys don't realize how vulnerable they are out there," cautions an undercover vice officer from New York City. "Once your pants are down, even a small woman is in a position to take advantage of you."

An intern at Bellevue Hospital's emergency intake confirms the cop's observations. "You'd be surprised how often we get upstanding pillars of the community coming in with lacerated organs," the medic relates, "and I don't mean simple tooth marks. The penis is a tough piece of gristle, but I've seen it bitten clean through.

# WHORE HORRORS

The accountant's hands had been Super-Glued to his testicles, his arms entwined through the struts of an upturned wheelbarrow.

That's a somewhat awkward predicament for a man to explain to his wife."

Sid Patterson, a supervising accountant in his Garden State hometown, can't be sure if he was slipped a mickey or simply passed out abruptly. Sid remembers pulling a series of abrasive antics at the girl's expense. Once he'd lured her into his car, he recklessly sped off to a remote industrial area, refusing to slow down so the girl could get out when she demanded to be let free. He held her virtual prisoner on a deserted construction site, haranguing and hollering as if the hooker were his soon-to-be ex-wife.

Sid pursued an urge to come in the doxy's hair, but was too far inebriated and succeeded only in pissing all down his own thighs and the cornered woman's calves. She had stood in a puddle of piss mud. Sid, laughing uproariously, had turned to replenish his drink, and been knocked to the ground. "I thought the girl had a sense of humor," laments Patterson. "It would have been better for me if she hadn't."

An early arriving construction foreman and his crew of migrant day laborers found Sid in the morning. The third illegal

alien in line woke him. The accountant's hands had been Super-Glued to his testicles, his arms entwined through the struts of an upturned wheelbarrow. Bare-assed, his torso curved along the bottom of the barrow, cheeks up and in the wind. Patterson maintained this position and exposure as he was transported and booked for criminal trespassing, public intoxication and staging an obscene display without a government grant.

Even if police were to apprehend Patterson's tormentor, Sid might be denied the option to press charges. After all, he'd committed felony kidnapping before the woman had responded with her first infraction. Humiliation was not the worst of Sid Patterson's punishment. Super Glue is very damaging to sensitive tissues. The surgery was delicate and not totally without drawbacks.

"No skin off my sack," quipped the attending surgeon.

Sid considers himself lucky not to have lost his balls totally.

Several of the johns who fucked Florida highway hooker Aileen Carol Wuornos wish

they were still around to envy Sid's luck. Wuornos's clients paid the ultimate price for their piece of ass. Sentenced January 31 to fry in the Sunshine State's electric chair, Wuornos, 35, was convicted of first-degree murder in the death of businessman Richard Mallory. The defendant had confessed to killing seven male motorists and leaving their bodies along Florida highways.

Aileen later argued that she should not be found guilty of murder because the men she was accused of killing had become violent after picking her up for sex. She is scheduled to face trial in four more murders, but no matter how many death sentences she garners, the state can only off Wuornos once; so she's guaranteed to come out ahead in the body count.

Victims of enraged floozies are most commonly stabbed or shot. Some malefactors are worked over by violently protective pimps, hands-on business managers who pride themselves on overzealously guarding their investments. However, one of the worst vengeance ever exacted by a cash sucker was inflicted upon a pimp who had let his charge stray from his psychological grip.

The pimp's mistake had been to let his bottom girl's cat out. The kitty had fallen into the clutches of neighborhood delinquents who killed it and nailed it to the hooker's apartment door. They had doused the feline in lighter fluid and set it aflame before killing it. The charred corpse of her pet opened a floodgate of resentment and hate in the woman, all of it focused upon her panderer.

When he came home, hit her and demanded to audit her take for the night, she turned over her loot and allowed him to send her out for dope, just like she always did. However, when she came back, she had double-loaded his balloon. The pimp unwittingly went into a blind nod. When he came to, he was bound to a kitchen chair. The hooker left him trussed up as she went out and did her day's work and picked up supplies for the evening's entertainment. The soothing effects of the previous night's heroin had long worn off the pimp by the time she returned. He promised not to beat her too bad if she would untie him right away.

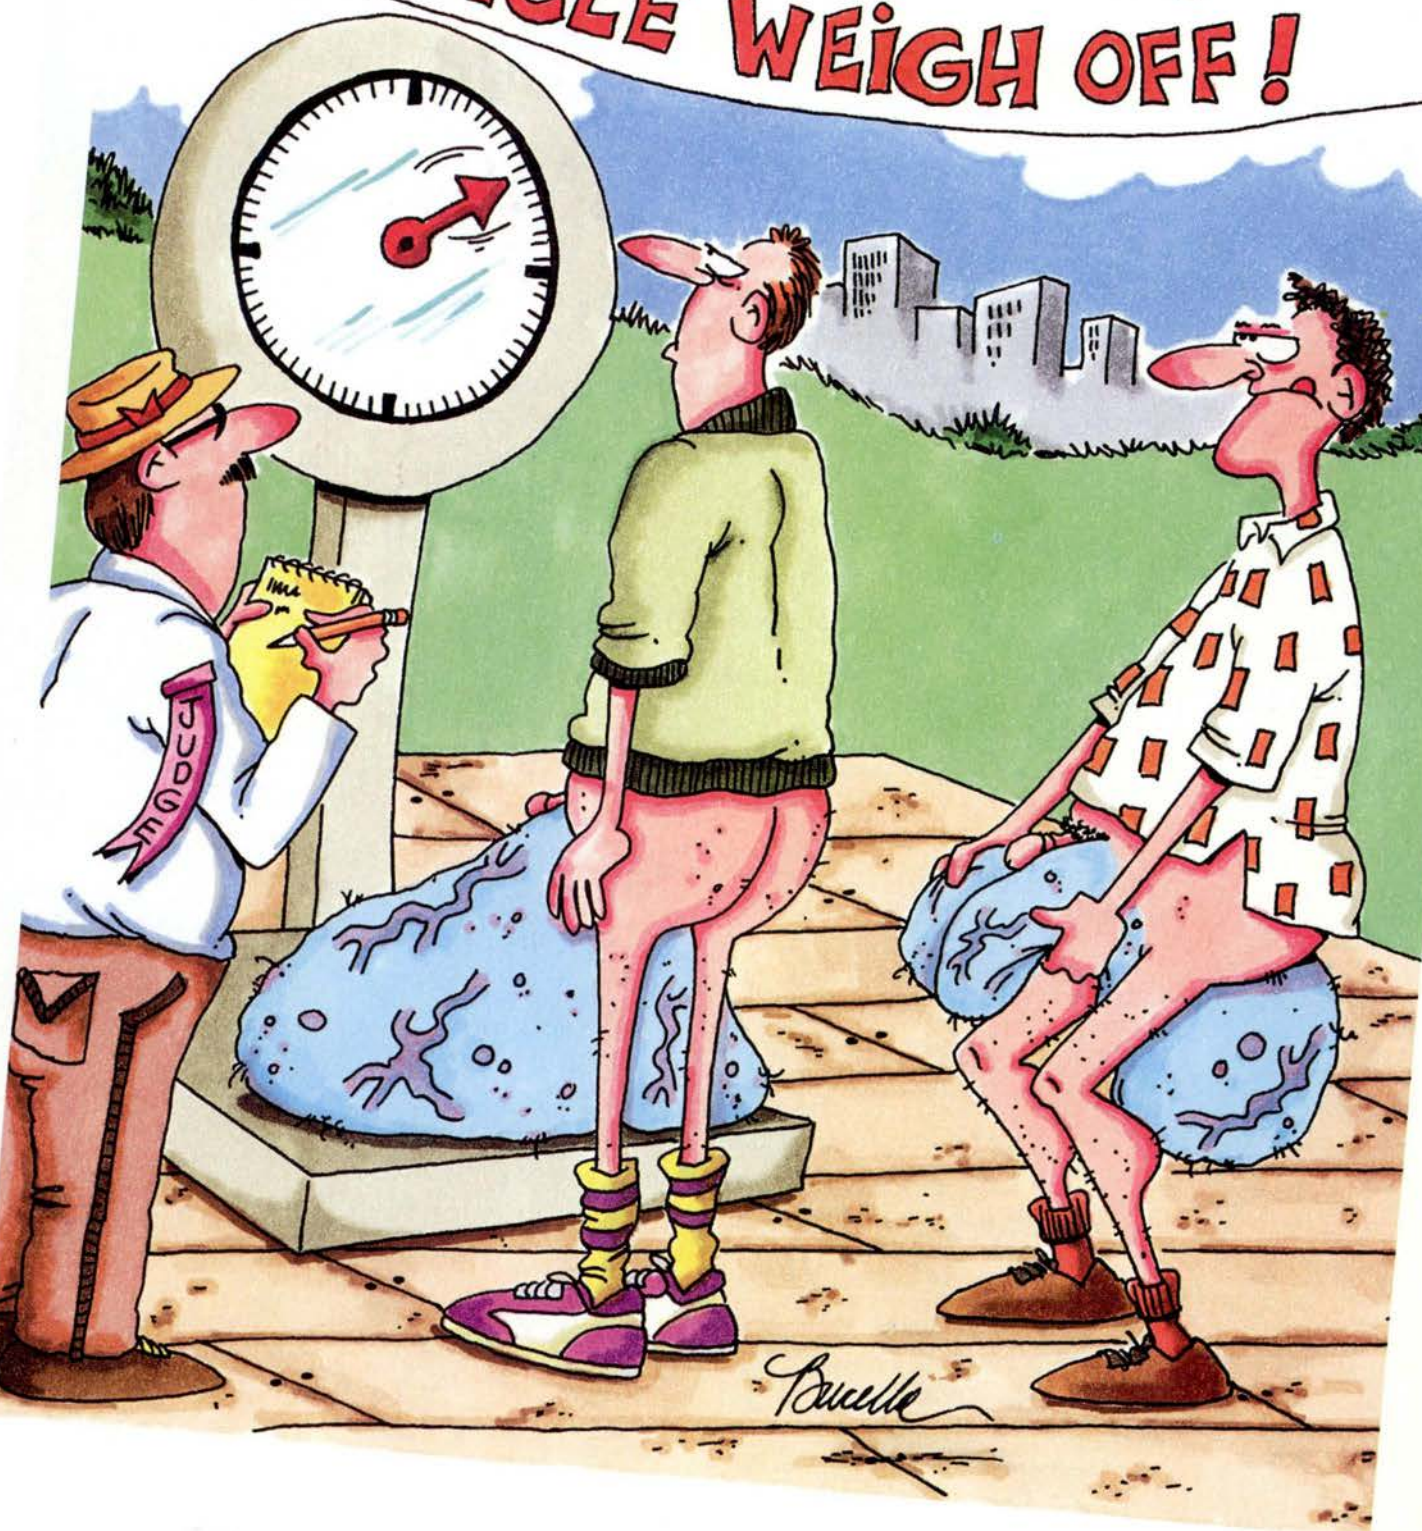

Hardened detectives who were summoned to the scene spoke in hushed tones. None of them were fond of pimps, but they were all men. What they saw filled them with awe and wonder. The perpetrator, they knew intuitively, was a woman, and they couldn't help but respect her.

The pimp had been kept alive and conscious during the worst of his ordeal. His wounds had been tourniqueted and cauterized. His face had been mutilated, he'd been hamstrung, his eardrums punctured and his tongue cut out. The dead cat had

No one needed an autopsy to know that the bloody paste in the blender had once been the cock and balls that were missing from the carcass in the chair.

been nailed to his chest. But the worst wound was between his legs.

"The perp was a nursing-school graduate with considerable operating-room experience. She'd kept him alive," deduced the county coroner, "and she'd kept his eyes open."

A blender sat on the breakfast counter, directly in line of the dead pimp's view. No one needed an autopsy report to know that the bloody paste inside had once been the cock and balls that were missing from the carcass in the chair.

Whore ire is oblivious to gender. Some of the sorority's most intolerant and vicious pranks are saved for their erring sisters. Professional rivalries can be set off by territory infringement, jealousy over the attentions of a sweet daddy, envy over clothes or clients, or a simple slight of snootiness flashed like claws in the getting-acquainted stage.

Cat fights can lead to laxative cocktails, dogshit smeared in wig collections, dopebust setups or liquid Drano splashed in the face. Hookers will warn cruising motorists away from a chick they hate, and

they'll steer known pain freaks toward her.

"I might still be turning tricks," hypothesizes Darcy Quwan, who recently completed a training program toward a real-estate-sales license, "except I pissed off the wrong bitch."

Topped off by a bush of flaming-red hair, milky-white Darcy, at 5-8 and 119 pounds, is a stacked bundle of luscious curves supported by long, lean-muscled struts. She's a hot piece in anybody's eyes, and was pointed on her way to a lucrative career as an exclusive, private-line callgirl. Her only drawback was an inability to differentiate between a madam and a cleaning lady.

"I'd been recommended by a girlfriend of mine," confesses Darcy. "I went up to the boss lady's house, a big palace up in the Brentwood hills. Some dumpy crone in a housedress let me in and gave me a drink. I guess I was nervous, and I spilled it. 'Mop that up before your boss gets here,' I said. She looked at me funny, but she mopped it up."

"Ten minutes later, a gigolo in an Armani suit came in and told me the mistress was indisposed, but he had my first assignment. They sent me off in a limou-

sine, and away I went. It was a hotel room full of Arabs. They tied me down and did me for six hours straight. I had so much cum on me, you could float a rubber duck on my belly. When they were done, they put a phone to my ear. 'Mop up your own mess, bitch,' sneered an old woman's voice. It didn't take me long to figure out whose voice it was, and it didn't take me long to figure out that I should get into another line of work."

Vocational reassignment is not always an option. In the case of Lester Peese, a small-time vice cop in a depressed Midwestern industrial town, the answer was to be kicked upstairs. He's still with the men in blue, but not in a position where anyone can see him.

Peese had virtually been a one-man task force. He was the only officer in his district assigned to controlling prostitution. He reigned over the area's streetwalkers as though he were some type of underworld overlord. The hookers grumbled about the shakedowns, kickbacks and freebies that were standard operating procedure under Peese, a veteran of 14 years with the department. They grumbled, but they would have kept giving it up—if Peese hadn't gone too far.

Peese stepped across the line of tolerance and opened himself up to a vulnerable position with a single wrong move.

"I would've sucked his balls from now till the cows come home," admits Lucille Bovina, one of Peese's rebellious harlots. "But I don't clean no pig's toilet."

Peese had instituted a system of rotating chores, with street girls coming in to scour his apartment and do his laundry. The ladies proved to be very adept housemaids. They also installed video equipment and caught the cop sashaying in dirty-slut underwear while the dirty sluts laundered his BVDs. Peese's supervisors were amused by the video, but reacted humorlessly.

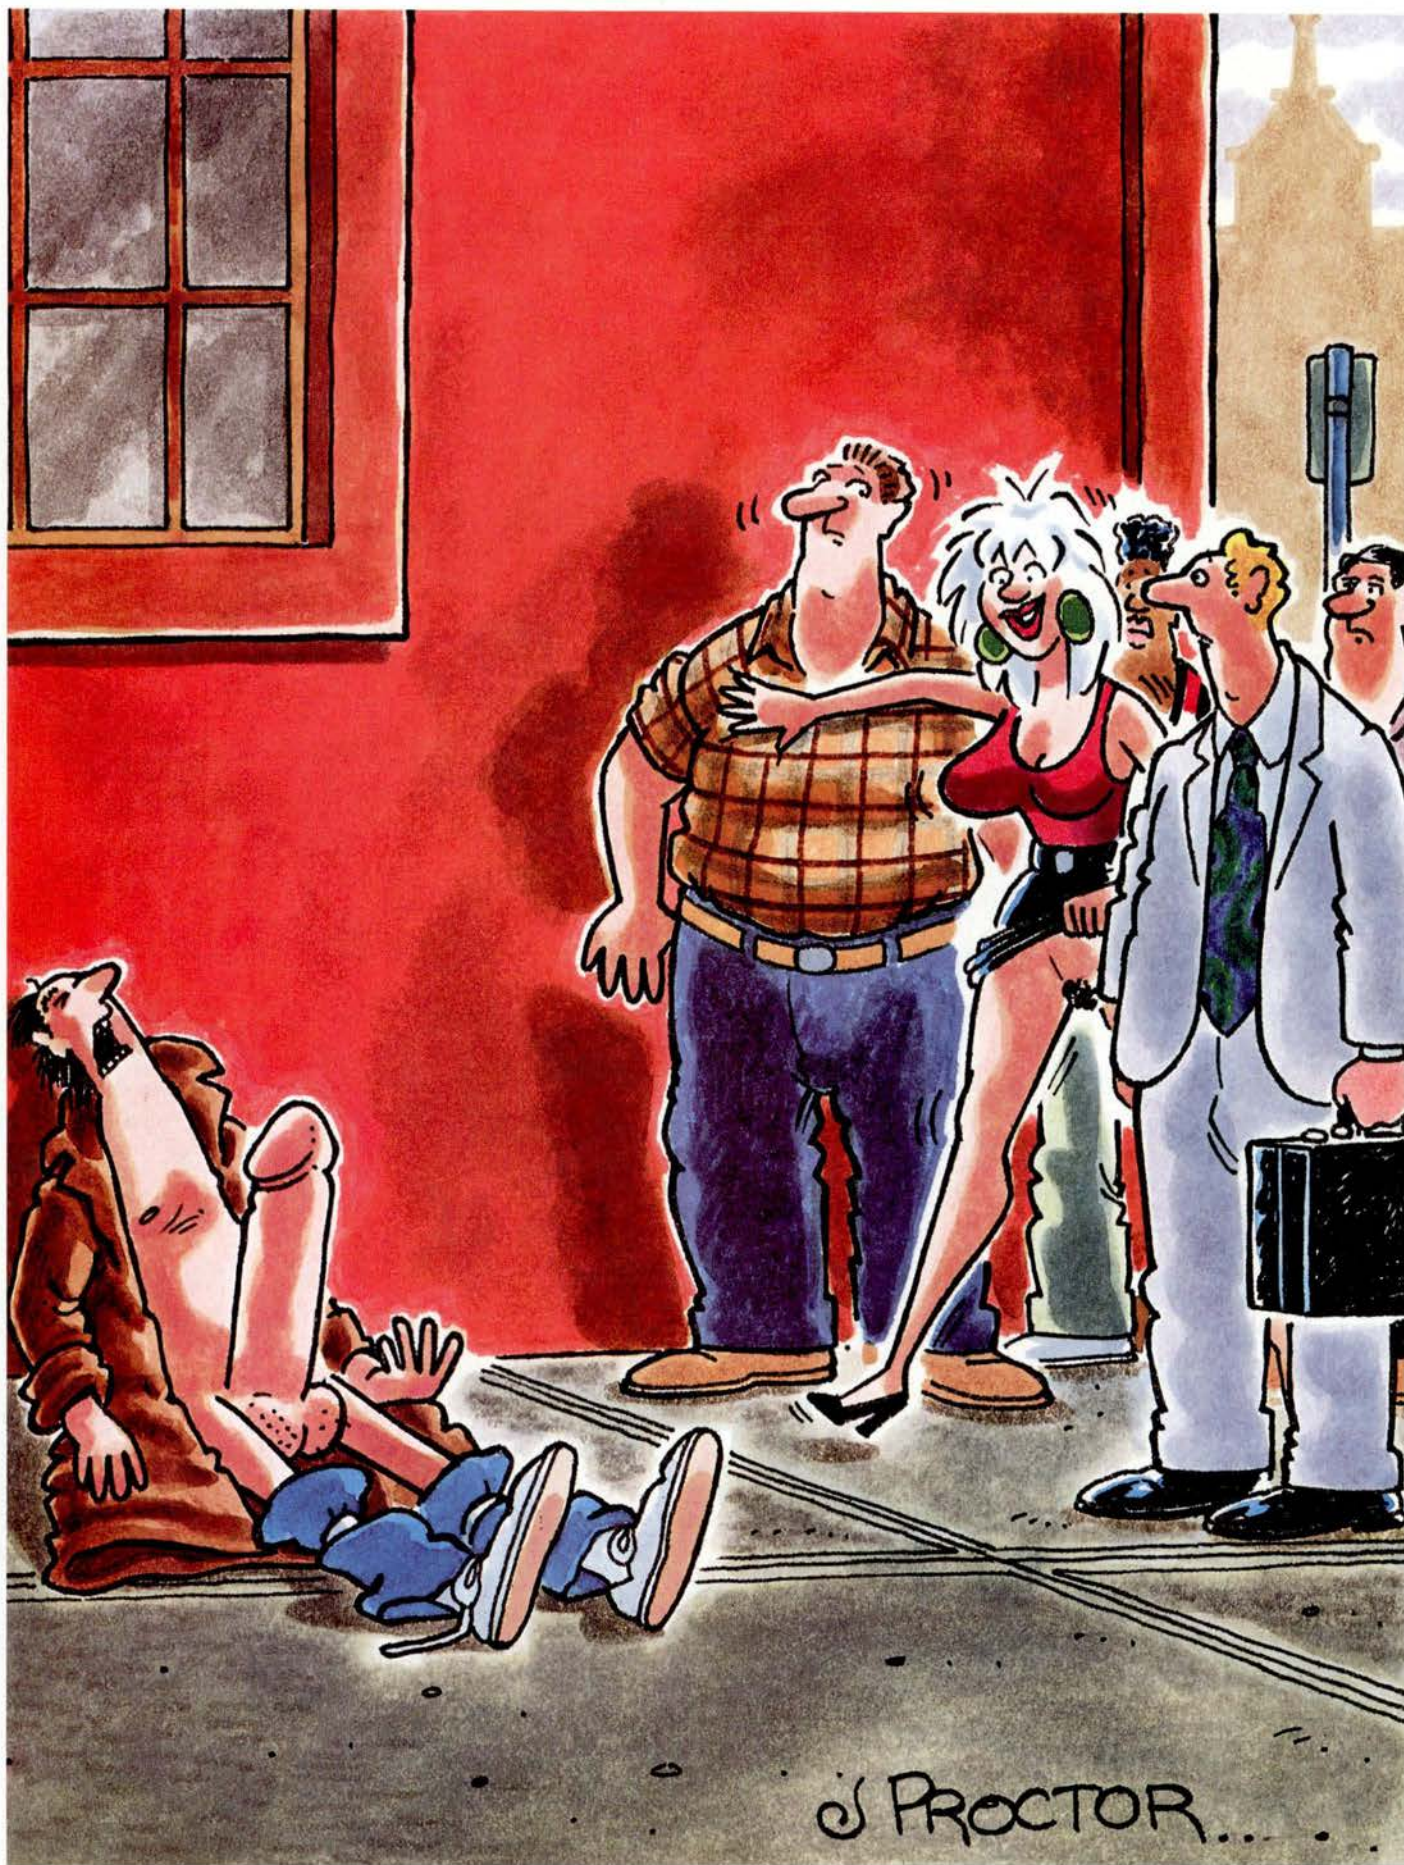

"No one can move against the hookers now," laments an understandably anonymous police official. "They have the original tape, and we'd be mortified to have it show up on *America's Funniest Most Wanted*. What we've effectively got here is a free-range prostitution policy."

According to Brian P. Lassiter, author of *Strange Bedfellows: Vice Dynamics in American Law Enforcement*, prostitutes are part of a blackmail/coercion setup in many U.S. cities. Compromised hookers, often with the tacit agreement of top police officials, are used to assemble dossiers of sensitive information on influential citizens whose support for the police department must be ensured. Warns Lassiter: "The local official quoted believes that his is one town where the motto is: 'Whores rule.' Don't be so sure that yours isn't too."

"Not tonight, dear—I have an ass ache."

## FOSTER KIDS (continued from page 68)

By age 15, Willie Bosket had killed two men during robberies, shooting one of them in the face because the man didn't have any money.

"I'm a monster the system created but never expected," he told the court in 1989 after being sentenced for the attempted murder of a prison guard. "I will haunt this damn system until it is in its grave."

There are an estimated 500,000 children living in out-of-home placements in the U.S. By 1995 their numbers are expected to surpass 840,000. Moreover, ex-foster children comprise up to 38% of America's adult homeless population and account for an equally significant portion of state-institutionalized mental patients.

The ACLU's Children's Rights Project believes foster care to be one of the most destructive social systems in America. "Because of [foster care]," the ACLU writes, "thousands of children's lives are destroyed. After years of institutionalization or shuttling from one poorly trained foster home to another, these children become so psychically—and sometimes physically—damaged that they have no chance of leading normal lives."

America's foster-care system was designed to rescue children who were being abused by their parents and provide them

with a safe place to live for up to 18 months, during which time the parents would be treated for their behavioral disorders. Unfortunately, the process has deteriorated to the point where children from abusive as well as nonabusive homes are being forcibly separated from their families. They're being placed with strangers who are many times more likely to victimize them. Almost none are returned to their natural parents.

According to Dr. Raymond Anderson, a Van Nuys, California, psychiatrist specializing in the treatment of incarcerated, chronic sex offenders, the psychological damage such brutal estrangement does to the child is difficult, if not impossible, to repair. "Adult prisoners who have been in foster care say they feel disconnected, that they don't have anyone to identify with," Anderson explains. "Most have lived in six or seven different homes, further confusing the identification process. They lack the continuity of childhood that would allow them to develop into an organized adult."

The longer a child remains in the emotional limbo of the child-welfare system,

the more insecure he becomes—yet, because foster care claims to eventually return the children to their parents, kids are systematically moved from home to home to prevent them from bonding with any one family.

A study by the Denver Department of Social Services (DDSS) revealed that 25% of their foster children had lived in six or more homes, and that 7% of those had gone through six placements in less than a year. DDSS also reported that less than one-third had been returned to their natural mothers within six months, while one-quarter remained in foster care for four or more years.

"Not knowing where he's going the next day or how long he's going to be there damages a child," notes DDSS deputy director Irene Ibarra. "To a kid, a few days can seem like a lifetime."

Susan Aguillar, a spokeswoman for the Sacramento, California, DA's office, acknowledged that 95% of foster children in Sacramento County are never returned to their natural parents. In Washington State, the figure is reportedly 90%. And in each case, the natural parents are legally forbidden to have any contact with their child.

Adding to the volume of foster-care applications is what many perceive as a hypersensitivity to child abuse in America. In 1990, national child-care agencies received over 4 million reports of suspected abuse—92% of which proved unfounded or nonthreatening, and only 16% of which the foster-care system had the time and work force to investigate. Many child-care workers juggle 50 to 120 ongoing cases, while family-court judges, who must rule on 40 to 60 cases a day, have less than 15 minutes to determine each child's fate.

By law, before a child from a marginally dysfunctional family can be placed in foster care, efforts must be made to keep the family together. This requires family-crisis counseling and drug-treatment programs, etc., all of which are paid for by the county. On the other hand, counties only pay 5% of the cost of placing a child in state and federally financed foster care. With record numbers of abuse reports being filed, the cheaper foster-care option has become the alternative of choice.

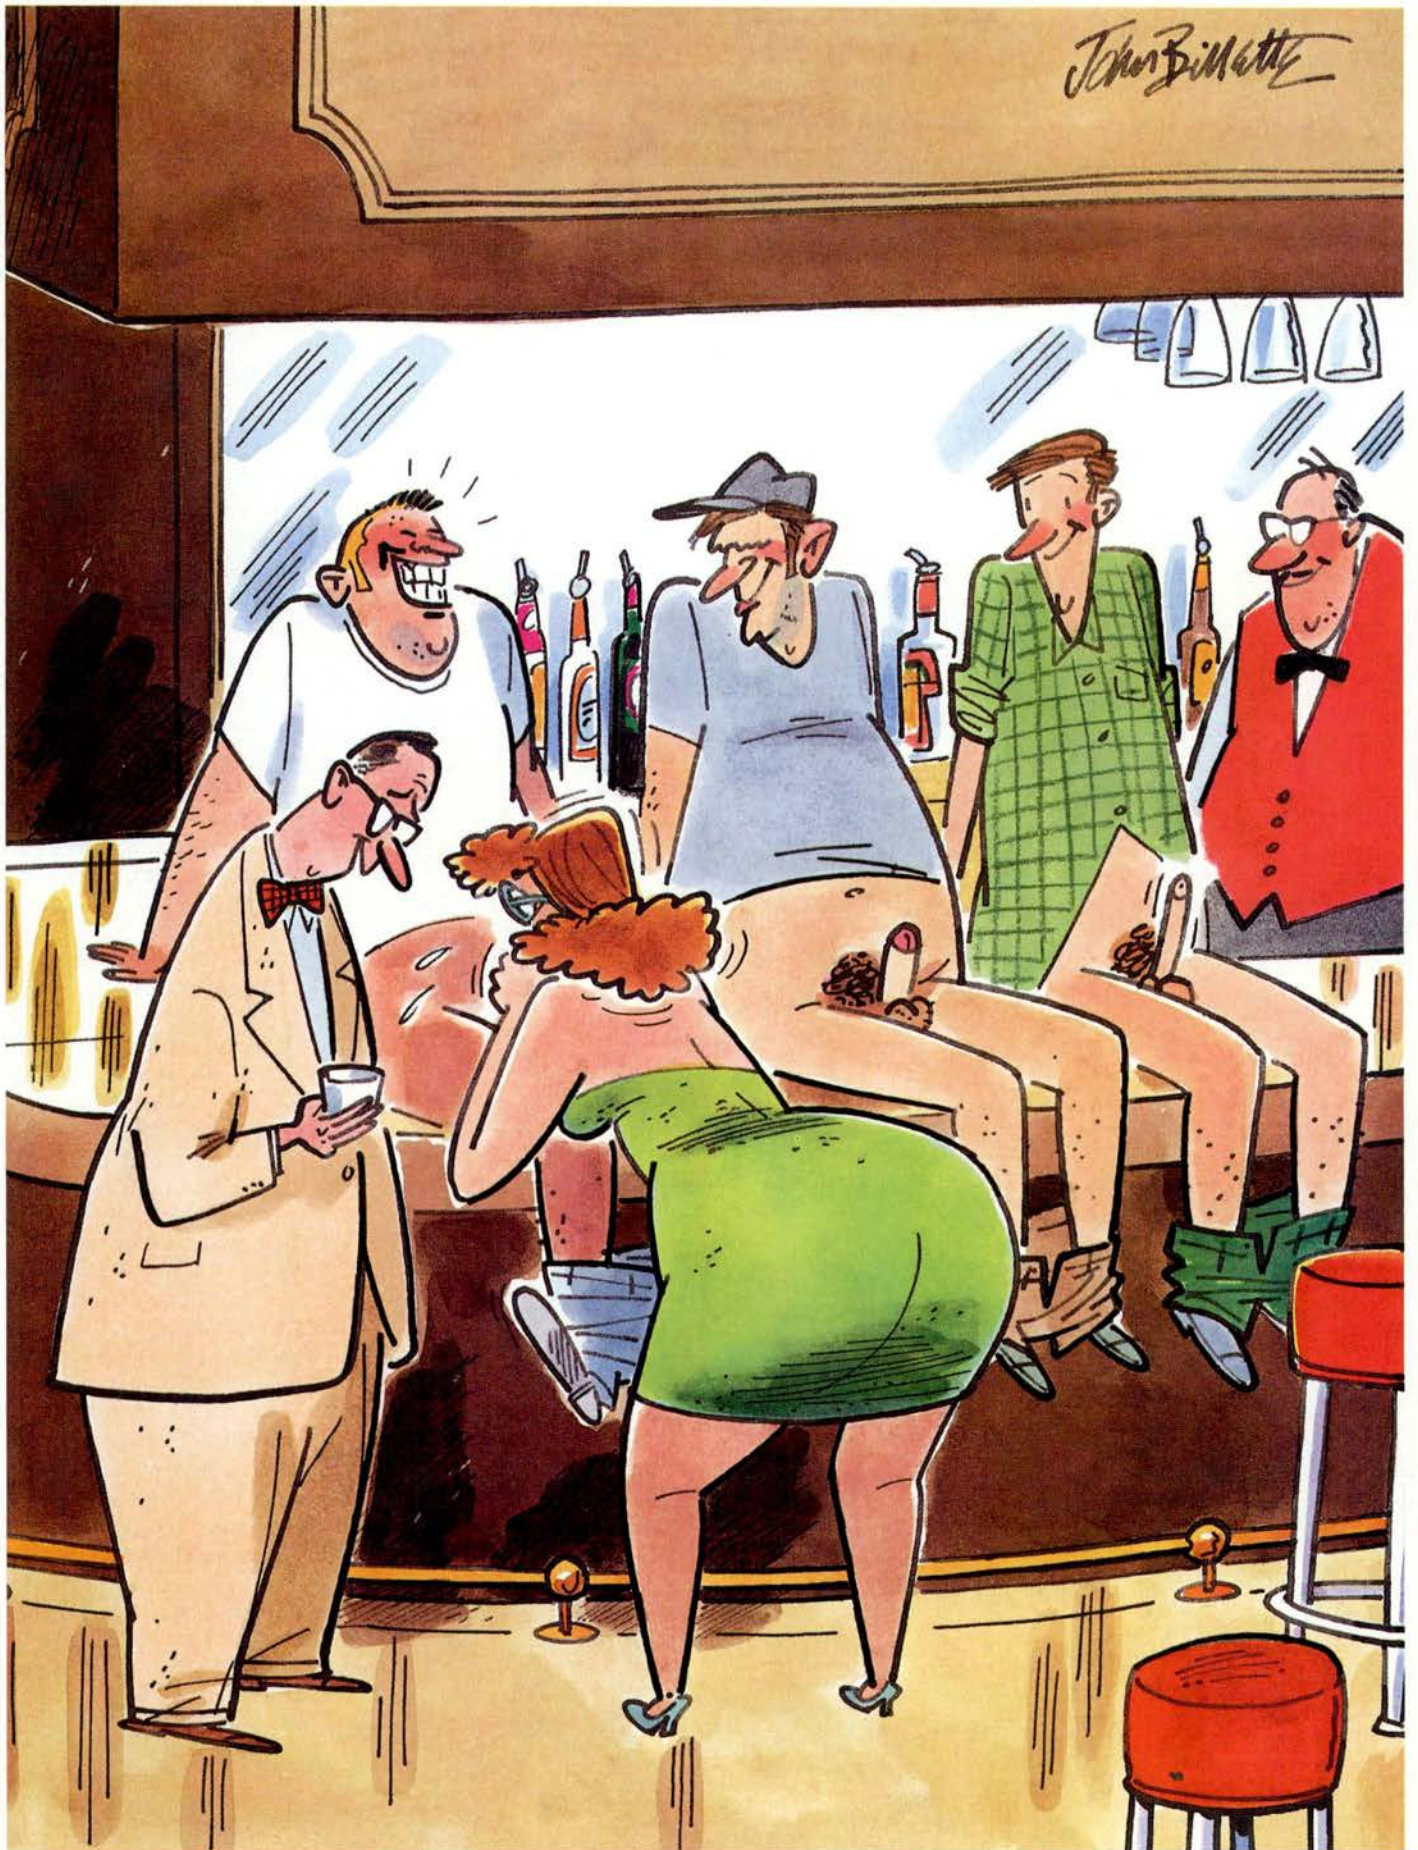

The results prove devastating. National statistics show that 97% of male juvenile delinquents suffered severe physical punishment in the home, and that abused delinquents are 24 times more likely to commit arson and 38 times more likely to commit rape.

Juvenile delinquency has become a permanent fixture of the foster-care system. With only 100,000 families to care for as many as 500,000 foster children, most

# FOSTER KIDS

Armstrong dismembered the girl's body with a hunting knife in the garage and placed the pieces in cardboard boxes, which he filled with cement.

kids end up in group homes where they are pressured by peers to join in delinquent activities or become victims and learn to victimize others.

"You would not believe how many cases I've investigated where a kid was put in a foster home and then sexually abused by the children who were there," says Larry Daly, who is now a P.I. specializing in false allegations of child abuse. "I remember one kid who was 11 years old. He was molested by two older boys. They made him eat a bar of soap and stuck his head in the toilet. Then they anally assaulted him."

According to Daly, such assaults are part of an ongoing cycle of revictimization in which the child, having become a victim of rape, learns that rape can be used to victimize other, smaller foster children. "For most of these kids it's crime by day and foster home by night," he adds. "The 11-year-old I spoke of had been in numerous foster homes because he liked to set fires and shoplift. The kids who assaulted him were ripping off the whole neighborhood."

According to the U.S. Office of Juve-

nile Justice, 95% of the juveniles held in such facilities have been detained for violent offenses, including murder, rape, robbery and aggravated assault.

Rates of parental abuse are ten to 40 times greater for foster children than for children in the general population. The Florida State Health and Rehabilitation Services (HRS) reveals that from 1987 to '88, 77 children under HRS protection had died in their foster homes of unnatural causes, including physical abuse and suicide.

Seemingly benevolent couples are not above suspicion. On July 28, 1991, Craig Armstrong, 29, a highly respected motorcycle officer with the San Bernardino Police Department, notified authorities that his three-year-old foster daughter Alicia had been kidnapped from a nearby mall. In reality, she had been brutally killed by Armstrong the night before.

According to a videotaped confession made one day before Officer Armstrong was found hanging from a dog leash in his mother-in-law's garage, Armstrong had been "punishing" Alicia for getting out of

bed at 2 a.m., when he struck a fatal blow, hitting her in the stomach.

There were no witnesses. Armstrong's wife, Tammy, a Loma Linda nurse, had been away. Armstrong concocted the kidnapping story. He dismembered the girl's body with a hunting knife in the family garage and placed the pieces in cardboard boxes, which he filled with cement.

A month later police recovered the concrete blocks—reportedly containing "two major pieces" of the body, portions of which had been eaten by animals—on a rugged slope in the San Jacinto Mountains.

David Bernstein of the Boulder County Department of Social Services admits that many foster-care agencies have done a terrible job weeding out potentially abusive families. "For years couples would walk into our office to apply to become foster parents, and everybody's attitude was, 'God bless these people,'" he says. "It didn't occur to anyone that they could have some very perverted, ulterior motives or difficult backgrounds."

The sad truth is that most couples take in foster children for the money. They are lower-middle-class families, who put the \$300 to \$1,000 they receive each month per child, depending on age and medical needs, directly into the household budget. The child's welfare is anything but their main concern.

"I was once sent to a group foster home near Seattle where there were nine girls boffing half the neighborhood," Larry Daly recalls. "The foster parent was a single woman who took advantage of having a big house. The girls were just dumped there. No rules, nothing. They hung out and screwed who they wanted, partied when they wanted, committed burglaries, theft...finally the county had to move in."

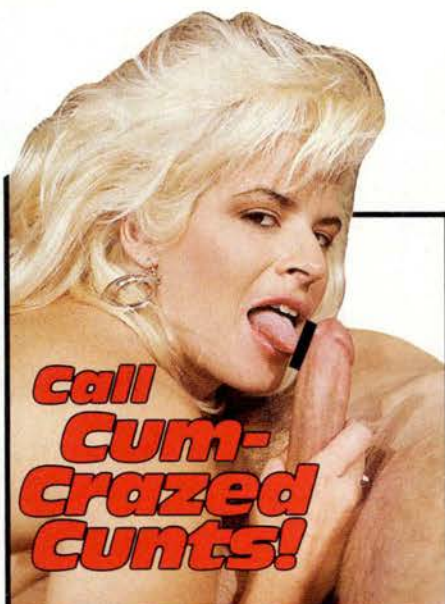

There's the occasional father who considers sex with his teenage foster daughters to be one of the perks, or the odd foster mom who gets a little too much pleasure from disciplining her boys, but foster parents are most often guilty of more subtle, but no less demeaning, psychological abuse. These are the parents—and there are many, according to the California State Commission on Government and Economy, which is investigating the state foster-care system—who fawn over their natural children while making their foster kids beg for second helpings at the dinner table.

"Think about it," advises child's-rights activist Leslie Wemberly, an advisor to the Commission. "Most of these kids are in the three- to eight-year-old range. That's a terrible thing to do to them. It's no wonder that by the time they're teenagers they've become so much trouble that they're almost impossible to place."

"No second thoughts about the wedding, are there, dear?"

# WIFE

(continued from page 64)

As the notorious couple waited for their day in court, Kathy lamented to tabloid-TV reporter Steve Dunleavy on the heavy toll the bizarre situation had taken on her life and her well-being.

"I've lost a good job and my family over this," she said softly. "I'm at rock bottom. I can't see going any lower."

At this point, the Willetses were cashing in at every turn. Through a company called J&E Communications, Kathy started a 900 telephone service offering to tell her side of the story for \$2.99 a minute. The company also offered posters of Kathy, barely dressed in skimpy lingerie.

Diehard Willets watchers waited for the trial with slobbering anticipation, but mere weeks before the curtain was set to rise the state again approached the Willetses with a deal: *Help us nail Ellis Rubin, they asked, and we'll cut you some slack.*

Rubin encouraged Jeff and Kathy to accept the plea bargain. He then stepped down as their legal counsel.

The Willetses agreed. On February 3, the gavel fell for the last time on one of the strangest and most convoluted prostitution cases to clutter a Fort Lauderdale courtroom. Before passing sentence, Broward County Circuit Judge John Frusciante condemned the couple for cashing in on their crimes, telling them, "People should not be able to benefit from their crimes. The fact is, you have been pursuing it constantly. This court finds that distasteful."

He then sentenced Kathy to three years of probation and ordered her to perform up to 400 hours of community service. She was also told to get an AIDS test and see a therapist. Jeff, who was fired from the Broward Sheriff's Office when he tried to quit, was sentenced to 364 days in county jail on charges of pimping and illegally recording telephone conversations.

Kathy was teary-eyed as the sentence was read and her husband carted off in handcuffs. She told reporters, who swarmed over the scene like hungry locusts, "I'm glad it's over with. Too many lives were being ruined."

Like any good prisoner, Jeffrey Willets was entitled to work release, and he got it—as a salesman for J&E Communications, the company producing Kathy's phone service and posters.

When news of the bizarre deal hit the papers, Jeff quickly had his work-release privileges revoked by the Broward Sheriff's Office.

# FOSTER

Foster children account for an estimated 50% of America's teenage runaways, many of whom turn to trading sex for meals or for a place to sleep. Others turn to shoplifting, burglary or selling drugs.

"I worked in King County during the Green River murders of the early '80s," Daly recalls, "and I interviewed a lot of girls who were working the streets. They'd been in eight, nine foster homes, and they all said they'd been sexually abused. They'd say, 'Hey, man, it's better out here than at home. If you had an asshole foster father like mine, you'd be out here too.'"

If they don't run away, foster children not in permanent placement are dumped onto the streets the moment their child-welfare status ends at age 18. Lacking the money, skills and family support to make it on their own, more than one-third end up as street people, criminals or both.

Foster parenting is no piece of cake. By the time a child is placed in the couple's home, significant emotional damage has already been inflicted, in many cases by the natural parents. The child has become alienated and aggressive, and liable to angrily lash out at anything.

Even children who find permanent placement have difficulty recovering from the trauma of childhood separation, as 75-year-old Madelyn Schadt of Tustin, California, discovered in 1988. Schadt had been foster mother to Patricia Larsen, 45, for over 30 years when she was strangled by her foster daughter during an argument over Larsen's 11-year-old son.

"She was upset with things her foster mother said, and she just exploded," explained Larsen's attorney, Carl Holmes. Larsen, an alcoholic since 15, never recovered from having been abandoned by her natural mother as a child.

"People think foster care is great and that foster parents are wonderful for taking in kids that aren't theirs. It's not true," says 24-year-old ex-foster child Sharon Henry, who was abandoned by her mother, a drug-addicted prostitute, at age two. "It's not ever nice, and foster parents are definitely not the heroes everybody thinks they are."

Sharon went through seven foster families before being adopted at age 12. "It's hard for a child to go through that," she warns, "especially if they're young and don't ever get parents who love them. They grow up angry and mean. They're the ones who go out and kill people when they're older. They don't have any sense of remorse. They don't have any conscience at all."

"I love sexual adventure!" writes Julie, a smooth, 26-year-old clerical worker in West Covina, California. She's a woman who lives for the weekends and would willingly participate in anything kinky and fun.

Photo by Husband

No doubt Kimberly has made many a heart flutter as a paramedic in Columbia, South Carolina. This 27-year-old enjoys reading and snow skiing, and longs to make love to another woman and her husband at the same time. Better find a bigger chair.

Photo by Friend

Doing her impression of a chain-link fence, Charmian is one 29-year-old dancer in Van Nuys, California, we'd like to climb. She keeps her hands free enough to draw and paint, and would love to have sex while parachuting but, unfortunately, she's all tied up right now.

## ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

### HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

*Let Scott Taylor "King of Penis Enlargement" show you how!*

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE** and **THICKNESS**! The device is called the **SUPRA-12 VACUUM ENLARGE**. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

**HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?**

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

**FREE!**  
\$24.95 HOW-TO-VIDEO with every PUMP ORDERED!

**SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!**

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

**FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!**

- Find out exactly what is happening to your penis to make it grow longer and thicker!
- Discover what the enlargement process really feels like!
- Find out how big you can expect your penis to get!

## "A JOURNEY INTO THE BIZARRE"

with **PAUL NORMAN** . . . the master of the unusual!

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen - we guarantee it! PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed - XXX hardcore that appeals to every taste - every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW - by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

**90 minute VIDEO as low as \$3.63 EACH scene**

- PN-1 "BI & BEYOND" (Hermaphrodite with a woman) - The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!
- PN-2 "PASSION BY FIRE" - A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!
- PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) - A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!
- PN-5 "JOINED" (Siamese twins with a man) - Perhaps Paul Norman's most incredible discovery of all - gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish - to have sex with them! A must see, alone worth the price of the entire collection!
- PN-6 "INNOCENCE LOST" - Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!
- PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) - A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!
- PN-8 "HEATWAVE" (Interracial bisexuality) - The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!
- PN-9 "SEPARATED" (Siamese twins with two men) - The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!
- PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) - "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!
- PN-11 "OFFERING" - Imagine what happens when 8 multi-organic male & female bisexuals get together for an "orgy to end all orgies." It's all here - hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

UNDER-THE-COUNTER  
HARDCORE VIDEO scenes  
from JAPAN!

EXCLUSIVE!  
NEVER SOLD IN STORES!  
AVAILABLE ONLY BY  
MAIL!

### A RARE COLLECTION OF ASIAN DELIGHTS!

Secretly filmed, these sizzling videos cannot legally be sold in Japan because they are **hard-as-nails**. We were fortunate enough to get our hands on 6 titles that are sure to harden your cock. The girls are **gorgeous, sensuous** and really know all about sex. The stories and acting are **superb** and the quality is **excellent**! Truly a rare find and exclusively available from us... for a limited time only! Each tape approximately 1 hour.

☐ **WORKOUT.** A beautiful gymnast falls during training. As she lays in pain, the sight of her hot, hard and tight young body turns on her horny trainer who comes to her rescue and really gives her a massage... and some workout!

☐ **SHARING.** Young Keoki visits her geisha cousin. While drinking tea - a man hidden under the table, finger fucks and sucks Keoki. Her moans of passion make the geisha's hot pussy itch with anticipation, so, the man accommodates her by driving his huge weapon into her creamy, slick cunt!

☐ **SEX POINTER.** Gorgeous Sanai shows a young male virgin what sex is all about. It's important that she pleases her man... and does she ever! They hump to steaming, ecstatic orgasms!

☐ **FILL HER UP.** George, a visiting black American dude picks up two beautiful girls. Miko just won't settle for any cock... they must be at least 10 inches long, and George wins by at least 2 inches! He knows exactly what to do with one foot of hard cock!

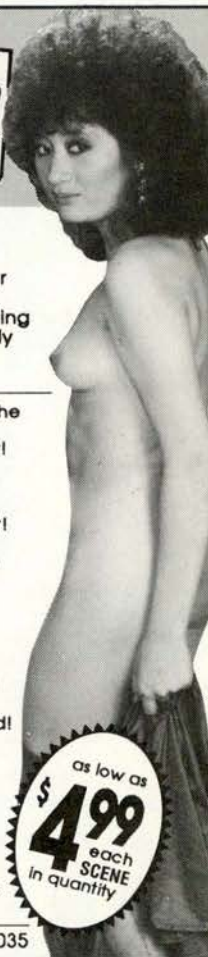

☐ **FIRST TIMER.** Coy, bashful Edori needs to be fucked. Her man sucks and tongues her and finally drives his steel-like shaft between her legs - they cum together - and then he finds out she was a virgin! Magnificently filmed!

☐ **THREESOME.** Two young studs share the love of Yuki. She mouths and sucks these hardy stallions to throbbing erections. They return the favor by fucking and back dooring this Oriental beauty. Really hot!

1 for \$19.95 • 3 for \$24.95 • all 6 only \$29.95

**TO ORDER:** Use entire ad as order form. Send name, address & Zip code. Enclose check, M.O., plus \$3 extra for postage & handling. Calif residents add 6 1/2% sales tax. For C.O.D. send \$5 for P&H only. Canadians remit in U.S. funds - no C.O.D.'s. VHS only.

**MEPHISTO'S 3 NEW SUBLIMINAL BREAKTHROUGHS SEDUCE WOMEN!**  
1. ACTUAL RECORDING OF WOMEN IN THE ACT OF REAL ORGASMS!  
2. PEER PRESSURE INTERVENTION: IRRESISTIBLE POWER OF SOCIETY!  
3. EROTIC MESSAGES DESIGNED TO STIMULATE HER EROGENOUS ZONES!

**HOW THE "ALL NEW" MEPHISTO CASSETTE SEDUCES WOMEN FOR YOU.**

SHE THINKS IT'S ONLY MUSIC, BUT SHE'S BEING EROTICALLY PROGRAMMED TO LOVE YOU!

**MEPHISTO ANNOUNCES MAJOR BREAKTHROUGH IN SUBLIMINAL STIMULI!** The originator of "The Mephisto Seduction Tape" has created an astonishing new subliminal technique calculated to be 3000% stronger than ordinary tapes. Hearing "this tape" she becomes sexually aroused, convinced she loves you and wants you to satisfy her. Urges her to make the first move!

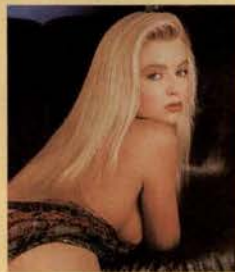

The "NEW MEPHISTO FORMULA" overpowers all other subliminal tapes including the "original" Mephisto!

New subliminal technique is based on the astonishing power of "peer pressure intervention." **MEPHISTO'S NEWLY DISCOVERED CONCEPT (January 1992) IS DESIGNED TO GET IMMEDIATE REACTION!**

**SCIENTIFIC DEMONSTRATIONS PROVE:** Subliminal messages cause involuntary bodily reactions: like sexual arousal! She'll need you!

**\* THE NEW MEPHISTO'S STIMULATES HER EROGENOUS ZONES!** She will "subconsciously" hear and be aroused by (an actual recording) of women moaning, gasping and crying out in wild, explosive "REAL" ORGASMS. She will want to imitate the passion she hears, even believes she's hearing herself in the ecstasy of intercourse with you! She's told to let herself go, to become wild and uninhibited! This becomes a "memory", the basis of her future fantasies! At the same time these subliminal sounds will sexually arouse you to your best performance, and great sex always!

Mephisto's new subliminal formula: A multitude of voices **PROMOTE YOU AS HER TRUE LOVER AND THE WORLD'S MOST DESIRABLE MAN!**

**MEPHISTO'S EXCLUSIVELY DESIGNED SUBLIMINAL FORMULA PUTS THIS STAGGERING POWER TO EROTICALLY AROUSE HER IN YOUR HANDS!**

**WORLD ACCLAIMED TESTIMONIALS:**

"My old Mephisto worked great; but your new tape is unbelievable! No glove box should be without one! C.F.L."

"My new Mephisto tape worked the first night!" K. TEX.

"Suddenly getting more than my share. My buddies want to know HOW?? I decided not to tell them." B.M. MA.

EROTIC THOUGHTS ABOUT YOU OCCUR TO HER AS HER OWN IDEAS

**PUTS YOU DEEP INTO HER SEXUAL FANTASIES!**

**NEW MEPHISTO FORMULA PENETRATES HER MIND LIKE A PRESCRIPTION.**

1. Focuses her **SEXUAL URGE ON YOU** (because she's in love with you). Convinces her you're her perfect mate, a great lover, etc.
2. **AROUSSES HER SEXUALLY** by subliminal commands that **ACTIVATE HER EROGENOUS ZONES!** Tells her she's impatient for you!
3. Inspires her to want satisfaction now, today!
4. Plants disgust for other men!
5. Plants ideas that she will have erotic thoughts of you each time she sees a stop sign, a red light, hears a phone ring, while taking a bath, going to bed, waking up, etc.
6. **SHE WILL DREAM OF SEX WITH YOU AND REMEMBER IT!**

Trade in your "OLD MEPHISTO TAPES" (\$5.00 each). The power of the **NEW MEPHISTO FORMULA** has been magnified 3000%!

DEVELOPER NOW  
OFFERED AT A  
FRACTION OF ITS  
ORIGINAL PRICE!**

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

**Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.**

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

**How does our penis developer increase your penis length and diameter?**

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

# Jeff Stryker's How to Enlarge Your PENIS

**Enlarge your PENIS to its  
Maximum Potential!**

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

**Here is why Jeff Stryker's penis  
enlargement method can work for you.**

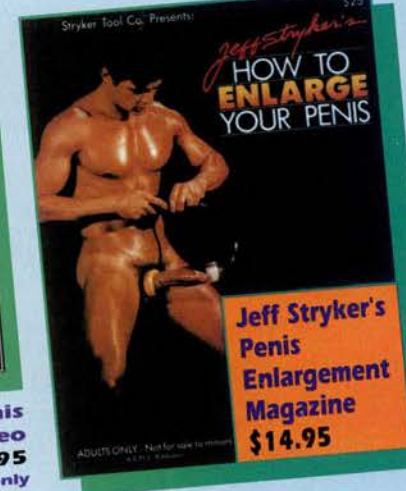

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder (you actually watch your penis grow). **Erect measurements up to 12 inches!**

**Your penis grows larger and firmer more than you ever dreamed possible!**

NEXT  
MONTH IN  
**HUSTLER**

October **HUSTLER** on sale August 4, 1992

## **BITCHIN' BREW**

**HUSTLER** concocts a devilish, pink potion in October. A high-fashion model magically pops out of her panties when her choicest side is done to a turn; an enchanted, lip-smacking Santa Fe native pulls a sun-fed spread from a tight, empty box; a pair of beach-hopping sea nymphs bewitch mortal nipples into double handlebars with hearty bites and pinches; a saucy, platinum-topped 19-year-old charms au naturel, wrapping soft, white legs 'round her raw, balled fist; and a pulchritudinous, pillow-titted temptress transforms an ordinary cream-dispenser into the tall-and-studly kind with a wink and a nod. Start stirring. These babes work wonders.

## **CONNUBIAL CON**

What law-abiding, marriage-soliciting citizens call "placing a personal ad," incarcerated inmates call *catching*—intending not to bond with a sympathetic mate, but to snare and swindle the desperately lonely. Writer B. Gordon Wheeler details the sometimes life-threatening risks of prison-house marriage rackets in *Defrauders of the Bride*, a cautionary tale of broken hearts, busted savings and the reason why the majority of prison-house nuptials have the same ending: divorce.

## **CULTS 'R' US**

Between 40,000 and 60,000 men and women are killed in the United States each year through ritual homicides. Because such murderous rites are closely guarded, and marauding cultists kidnap their victims mostly at random, knowledge of the patterns of killer-cult case histories is the only protection available. Cult-documentarian Mark Crane's *Armies of the Night* is a graphic look inside the brutal, bloody rituals of the Burdentakers, the Purifiers of Womanhood, the Posse Comitatus and the gory Aztec practice of *santismo*, among others. Warning: Not for the faint of heart.

## **SUGAR AND SPICE**

Chronically broke lay-laureate Alex Marvel mounts a full-front assault on the bitchiest bastions of wealthy womanhood and shares his winning strategy in "Fuck the Rich," **HUSTLER**'s *Sex Play* for October; *Hot Letters* empties male bags with sizzling loads of prurient post; *Beaver Hunt* uncovers friendly fursers wherever housewives congregate; *Bits & Pieces* racks on; and **HUSTLER** provides the ultimate service with *Break the Clench: Porn Stars Tell How to Get a Girl to Do Anything, Anytime, Anywhere*, a must-read for every must-have. **HUSTLER** in October's bubbling over. Grab on.
